

'06

Dear Fellow Shooters,

Welcome to another exciting year in the hunting and shooting industry. We're happy to announce that Gunslick brand products have effectively outperformed those of our competitors in independent lab tests and are becoming easier to use with each new chemical and cleaning system we introduce.

A great example of such a system is the New Match-Grade Maintenance Center. It will keep you organized and ready to easily care for your valuable firearm. The unique features outlined in detail on page 10 make it the ultimate workbench solution for gun maintenance.

We've been working hard to develop advancements in chemical technology that have propelled Gunslick to the top of the list in performance tests. We are so certain of the effectiveness of our products that we offer a **Money Back Guarantee** on all chemicals.

It's because of extensive field and lab testing that we've been able to validate the superior effectiveness of Gunslick chemicals and offer this unprecedented guarantee. Independent, unbiased lab testing has proven this and makes way for a whole new era of gun cleaning products. Here are a few examples of what you'll see for this year.

- Foaming Bore Cleaner defines **Easy Gun Cleaning** by eliminating the need for scrubbing your barrel with brushes and patches. A foam delivery system ensures that chemicals are spread evenly throughout your barrel and do the work for you. Our formula contains a copper dissolver and powder remover that work together to protect the accuracy of your barrel.
- Foaming Gun Oil is a great complement to the Bore Cleaner and offers excellent corrosion protection in the same easy and effective delivery system.
- Ultra-Klenz and Copper-Klenz both offer 99% powder removal. Use Ultra-Klenz for everyday cleaning of your firearm, it has no hazardous or foul chemicals and offers a fresh cedar scent. Copper-Klenz has a higher concentration of the copper dissolver to quickly and completely remove copper build-up for competitive or high-volume shooting.
- Use Gun-Dri to protect your firearm from rain and moisture when duck hunting or in high-humidity situations.
- Nu-Gun offers a special formula to quickly remove factory grease and packing material while leaving a light protective anti-rust barrier.

And don't forget to check out our Match-Grade kits and hardware—they ensure that you have the finest double ball-bearing cleaning rods, solid brass spear pointed jags, phosphor bronze brushes, and mops. These are the best cleaning kits for serious shooters who demand quality and reliability.

We appreciate your interest in Gunslick products and look forward to continuing to develop new and innovative solutions to meet our goal of **Gun Care Made Easy!**

Sincerely,

A handwritten signature in black ink, appearing to read "David J. Nau".

GUN CARE MADE EASY

Every cleaner and lubricant in the Gunslick line delivers the ultimate performance and protection, without all the work. Gunslick hasn't sacrificed ability to perform when simplifying the process. Choose Gunslick, and use the best there is.

FOAMING BORE CLEANER

SIZE

ITEM#

Use Foaming Bore Cleaner for a fast, easy and effective way to clean your gun. Foam away fouling with 3 simple steps — just spray, wait and remove. There's no scrubbing necessary. Cleaner turns blue from dissolving copper deposits and ensures complete coverage of the inside of your barrel so no spot is left untouched. Contains no harsh chemicals or ammonia and is not harmful to skin.

CLEANERS & DEGREASERS

GUN CARE MADE EASY

ULTRA-KLENZ	SIZE	ITEM#
Ultra-Klenz is a versatile, top of the line gun cleaner that dissolves 99% of powder fouling, removes copper and loosens lead deposits.	2 oz.	84102
	4 oz.	84104
	4 oz. wide mouth	84106
	5 oz. aerosol	84108
	12 oz. aerosol	84110
	PINT	84120 NEW

COPPER-KLENZ	SIZE	ITEM#
Copper-Klenz removes more copper residue than leading comparable brands, and also removes 99% of powder fouling. The advanced formula makes cleaning even the dirtiest barrel a breeze.	4 oz.	84116
	4 oz. wide mouth	

GUN-FLUSH	SIZE	ITEM#
Gun-Flush gives your firearm a swift, thorough cleaning. A high-pressure cleaning solution easily removes grease, oil and dirt with no disassembly required. Also leaves a layer of rust inhibitor to protect against moisture.	16 oz. aerosol	84112

NU-GUN	SIZE	ITEM#
Ready your new gun for shooting. Simple spray-on formula quickly removes factory-applied coatings to improve function and accuracy. Evaporates in seconds and leaves an anti-corrosive finish.	5 oz. aerosol	84114

ULTRA-CHEM PACK NEW	SIZE	ITEM#
Includes 5oz. Ultra-Klenz, 5oz. Ultra-Lube, and cotton patches. Refill any kit you own without having to buy more hardware.	3-PCS	83014

THE BEST PROTECTION A GUN CAN HAVE

Gunslick boasts a variety of lubricants and protectants designed to give your gun the best protection. Whether you're looking for corrosion protection in the field, or lubrication in the shop, Gunslick has exactly the right product.

GUN-DRI	SIZE	ITEM#
<p>In the field or on the range, moisture is never far away. Except after using Gun-Dri. Water will not adhere to the steel for up to 48 hours after application. Gun-Dri keeps rain, snow, condensation and humidity at bay. Look for this in our Waterfowlers Select Kit to get a complete compliment of products for your next trip to the blind.</p>	1 oz aerosol	83006
	4 oz aerosol	83008

GUN-FOAM GUN OIL	SIZE	ITEM#
<p>Keeping a firearm well oiled and rust free is a major goal for gun owners. Gun-Foam does both. This patented system is considered the ultimate in lubrication technology and provides superior rust protection – regardless of temperature in the extremes.</p>	5 oz aerosol	85104

LUBRICANTS, OILS & PROTECTANTS

GUN CARE MADE EASY

PERCENT OF CORROSION SALT SPRAY @100 HOURS
