#### *DuraSeal™ Spinner Targets*

Available in single or multi-dog options, the new DuraSeal Spinner Targets from Champion features the revolutionary DuraSeal™ material, a non-metal, self-sealing target that weighs 80% less than metal targets and lets bullets pass through with minimal damage. DuraSeal is simply the most rugged and durable target material on the market today. These auto-resetting targets handle even the largest varmint rifles and handguns and still keeps its shape and begs for more. This innovative material dramatically prolongs the life of the target and extends your shooting fun.

#### Features & Benefits

- DuraSeal™ target sealing material for the ultimate in target longevity
- 80% lighter than any comparable metal target
- Handles .17 cal through most large caliber rifles
- Varmint target wobbles/spins upon impact to show positive hits
- Self-resetting target provides hours of continuous shooting

Part No.	Description
40950	Single 5.5" varmint—black
40951	Single 5.5" varmint —orange
40952	Triple 5.5" varmint —black
40953	Single 7" varmint —black
40954	Single 7" varmint —orange

#### *Remote Release—Single & Double*

Take your shooting to the next level with these remote releases from Champion<sup>®</sup>. Whether you choose a single or double release system, the handheld remote allows shooters to expand their shooting positions and improve their skills. By getting away from the thrower and creating real-life shooting scenarios, shotgun enthusiasts can better prepare themselves for skeet, trap, sporting clays or actual hunting situations. These remote systems provide target release from a single trap (single remote system) or from two traps (double remote) such as the Champion EasyBird<sup>®</sup> automatic traps (AutoFeed, 6-Packer and Doubles), SST<sup>®</sup> and 180-Sporter trap throwers.

#### Features & Benefits

- Water resistant plastic housing
- Battery powered handheld remote in high impact case
- 100 yard range
- Adjustable to match cycle time of different machines
- Operates 1 or 2 traps individually or simultaneously
- Single remote release system can be upgraded to a double remote system by purchasing additional receiver unit

Part No.	Description
45325	Single Remote Release
45326	Double Remote Release

### SHOOTING SYSTEMS

---

#### *EasyHit Shotgun Sight*

Champion<sup>®</sup> Traps & Targets—in partnership with world-renown exhibition shooter Tom Knapp—introduces the EasyHit Fiber Optic Sighting System. This fiber-optic sight attaches by an adhesive strip to any ventilated or solid rib or flat surface (and ported barrels) and is low profile as to not change your point of impact. The hollow tube design helps shooters use both eyes when acquiring their sight picture. It's the safest and best way to shoot.

#### Features & Benefits

- Quickly and safely acquire sight picture
- Fits any ventilated, solid rib or flat surface
- Can be mounted to ported barrels
- Enables shooters to keep both eyes open
- Ensures proper shooting form
- Available in 2.5mm & 3mm diameter fluorescent green and red
- Available in both 2.75" and 5" lengths

Part No.	Description
45840	Green EasyHit Shotgun Sight 2.5mm—5"
45841	Green EasyHit Shotgun Sight 2.5mm —2.75"
45842	Red EasyHit Shotgun Sight 2.5mm —5"
45843	Red EasyHit Shotgun Sight 2.5mm —2.75"
45844	Green EasyHit Shotgun Sight 3mm—5"
45845	Green EasyHit Shotgun Sight 3mm—2.75"
45846	Red EasyHit Shotgun Sight 3mm—5"
