Dear Ruger Customer,

Welcome to our 2009 Ruger Sportswear and Accessories Catalog. We have a new format this year and more than 100 new products to share with you. Our new format organizes products to make it easier for you to find them, such as pages 17 and 18 with tactical gear and pages 23 and 24 with LCP and SR9 accessories. We have also laid out the products in the various areas where Ruger is a part of your life - at home, in the office, on the range or in the field. Not to worry, we still leave the back of the catalog for an easy-to-reference area with all of the accessories for your Ruger firearms.

We would also like to invite you to use this printed catalog as just a starting point for your shopping and browsing. We encourage you to go to our online catalog at our website, www.shopruger.com, where we are constantly adding new products, parts, and accessories for any new firearms we introduce during the year.

Like you, we all enjoy using Ruger products in the field and on the range, and that’s how many of our ideas for new products come about. For example, the Ruger® Super Redhawk Alaskan® in .454 Casull and .44 Magnum came from a trip to Alaska and seeing the guides carry around bulky, awkward handguns for bear protection. We saw how heavy their guns got after carrying them all day and we built a better gun for them. And then two years later, we went back to Alaska and realized we had a great guide gun, but needed a new holster to work better when wearing waders. See that great new holster on page 34.

Collectively, you use our products even more often that we do. So I am also asking for your input – tell me what you want to see in new products and improvements from Ruger at our website link, “Tell The CEO.” It’s right on our homepage at www.ruger.com. Thousands of these emails have come in and I read every one. And many of those emails have good ideas — frankly more than we can engineer in a lifetime — and we want to keep them coming. As we see certain requests more often than others, or even a brilliant idea that appears just once, then we know what to design next.

Thank you for your support of Ruger.

Michael Fifer
President & CEO

### Mini-14® / Mini Thirty® Rifle System:

Tapco’s Fusion Rifle System for the Ruger® Mini-14® or Mini Thirty® improves ergonomics and tactical flexibility. The T6 stock provides adjustment to six positions. Features include a SAW style pistol grip for improved comfort and an internal storage compartment; a removable cover over the forearm with a Picatinny rail capable of mounting forward grips and bipods; top barrel cover equipped with an integrated rail designed to accept any Picatinny/Weaver style scope rings; a straight receiver extension that offers a perfectly aligned cheek weld when shooting with optics; an angled receiver extension to fit all body styles to enable unrestricted use of the iron sights. Molded of military grade composite material. Fits: .223 Rem., 7.62 x 39mm & 6.8 SPC. Stock is designed for Mini-14® and Mini Thirty® rifles with serial numbers 181-XXXXX and higher (Not illustrated).

Ruger gun safes, designed to help customers meet their responsibility to store firearms safely.

To help our customers meet their responsibility to store their firearms safely, Ruger offers a full line of quality safes manufactured by Heritage Safe Company in Grace, Idaho. Safes range from 300 to 1400 pounds and hold from 14 to 76 guns, depending upon the model and interior configuration. The safe pictured here is the Ruger® Gold Label Series SR3060G. It is 30” wide, 60” high, 25” deep, weighs 705 pounds and will hold 27 long guns with the “collector” interior configuration.

Standard features include a solid 3/16” door reinforced with 3.5” angle frame; a 1-3/16” firewall; A Class II 60 minute Fire Certification; Eleven 1” diameter bolt locks; A 3-point bullet handle; high gloss finish; velour interior (includes sidewalls); Diam-a-Shield® hard plate; Drill proof ball bearing design; Quad Skeev™ relockers; Detent system; and a bank style combination lock. Options include an interior light kit, shelf pistol rack, dehumidifier; Sargent & Greenleaf lock; five exterior colors; six interior configurations; and two logo colors (gold or red). This gun safe is a California-approved firearms safety device (“acceptable safe”) that meets the requirements of California Penal Code Section 12088 and regulations issued.

For more information, contact Heritage Safe directly at 1-800-515-SAFE or visit the heritage safe website at www.heritagesafe.com.

Ruger Leather Tan Sport Belt by Galco
®

1-1/2"
wide lined holster belt is made with
premium saddle leather and stamped with
Ruger
®
logo. Includes a solid brass buckle. For
correct size, measure the distance from the tip of
the buckle tongue to the center hole of the belt,
compare to existing belt of similar width.

Please note: If you will be wearing a holster
and/or magazine carrier inside your waistline, you
may need to add 2 more inches. Made in USA.

$85.00 each

10/22® and Mini-14®/Thirty® Black OverMolded™ Rubber Rifle Stock with Recoil Pad

OverMolded™ rubber rifle stock with recoil pad, QD studs and a Ruger® logo medallion in the grip cap. Super strong, rigid fiberglass reinforced insert precisely fits the gun’s action. This insert is OverMolded™ with a durable but soft elastomer (rubber), which provides a non-slip, super smooth attractive finish that is durable and extremely quiet. Made by Hogue®.

Mini-14®/Thirty® Black OverMolded™ Rubber Rifle Stock with Recoil Pad

Ruger® Mini-14®/Thirty® stock is fitted with a moderately soft recoil pad and fuller forend shape designed for a secure and comfortable hold. Length of pull is 13-5/8”. Standard Ruger barrelled action will easily drop-in for a secure, tight fit. Stock is designed for Mini-14® rifles with serial numbers 181-XXXX and higher.

Timber Camo - $129.95 - #13005
OD Green - $86.00 - #13002
Black - $75.00 - #84165

Ruger® 10/22® OverMolded™ Rubber Rifle Stock with Recoil Pad

Ruger® 10/22® stock is for the .22 LR caliber only and features comfortable palm swells, a “varminter” style forend, simple drop-in installation and includes sling swivel studs.

$6.76 | #90175

10/22® and Mini-14®/Thirty® Black OverMolded™ Rubber Rifle Stock with Recoil Pad

OverMolded™ rubber rifle stock with recoil pad, QD studs and a Ruger® logo medallion in the grip cap. Super strong, rigid fiberglass reinforced insert precisely fits the gun’s action. This insert is OverMolded™ with a durable but soft elastomer (rubber), which provides a non-slip, super smooth attractive finish that is durable and extremely quiet. Made by Hogue®.

**NOTE:** Some magazines are not available for sale in all states and locales due to laws and regulations limiting magazine capacity. Prior to purchasing, please check your state and local regulations to verify that you may legally possess such magazines.
We are pleased to announce that Ruger scope rings are now packaged individually. This allows customers to purchase only the ring they need, or mix and match, without the added expense of purchasing two rings at a time. For example, the Ruger M77® Hawkeye® rifles are shipped from the factory with a #4 front ring and a #5 rear ring, which translates to a medium height scope mount. If the customer desires a high scope mount, he only needs to mount the #5 ring on the front scope mount, and purchase one new #6 ring to mount on the rear scope mount.

### Ruger Scope Rings

We are pleased to announce that Ruger scope rings are now packaged individually. This allows customers to purchase only the ring they need, or mix and match, without the added expense of purchasing two rings at a time. For example, the Ruger M77® Hawkeye® rifles are shipped from the factory with a #4 front ring and a #5 rear ring, which translates to a medium height scope mount. If the customer desires a high scope mount, he only needs to mount the #5 ring on the front scope mount, and purchase one new #6 ring to mount on the rear scope mount.

All rings are for 1” tube diameter EXCEPT those marked 30mm which are for 30mm diameter scopes.
Scope ring heights are identified by a number manufactured into the lower half of the ring. Below is a complete new ring chart showing the Part Number and Catalog Number for each scope ring. When ordering scope rings, please use the 5-digit Catalog No. (90XXX). If you have questions about which rings fit your pistol or PC carbine rifle, please contact the Arizona Customer Service Department at 928-778-6555. Questions about rifle or revolver scope rings should be directed to the New Hampshire Customer Service Department at 603-865-2442.

Scope Ring Designations

3 – Low scope ring
4 – Medium scope ring
5 – High scope ring
6 – Extra high scope ring

M – Matte
HM – Hawkeye Matte
TG – Target Grey®
3D – 30mm
O – Offset

Red Type – Indicates model rings shipped with firearm
Black Type – Indicates alternate size and configuration available for that model firearm
* – 5K scope rings are shipped with K1-H and K1-S rifles
+ – Indicates offset rings which feature one or two rings (single, double) that are offset to the rear by 1/2” to allow rearward positioning of the scope

Alloy (B) scope rings $34.00 ea.
Stainless (K) scope rings $40.50 ea.
