BOOKS and DVDs

The AR-15 Complete Owner's Guide, by Kuleck & Duff provides the prospective, new or experienced AR-15 owner with the in-depth knowledge he or she needs to configure, select, operate, maintain and troubleshoot his or her rifle. Colt Model Number and pre-/post-ban serial number information is included.23.95

The AR-15 Complete Assembly Guide, by Kuleck & McKee. The key to servicing your AR! Goes far beyond the military manuals in depth & scope, using words & 600 pictures to clearly guide you through every operation required to service your AR. You'll learn the best and easiest ways to upgrade, enhance, disassemble and assemble your AR. This book will make you a more knowledgeable owner! 21.95

The Competitive AR-15, by Zediker 29.95

Handloading for Competition, by Zediker 31.95

Reading The Wind & Coaching Techniques by Jim Owens 11.95

Sight Alignment, Trigger Control & the Big Lie by Owens 11.95

Leather Sling and Shooting Positions by Jim Owens 11.95

Care, Cleaning & Sportsmanship by Jim Owens 11.95

US Infantry Weapons in Vietnam..... 24.95
22 min./color—"Weapons of the Infantry," filmed in the 1960s, was produced by the US Army and Marine Corps as a training film for their soldiers. This instructional video covers the rifles: M14, the M14A1 and the M16A1.

AR-15 SERVICES

Technical Inspection **\$99.95**

Includes Return Shipping Of Rifle Back To You

We start with our acclaimed & exclusive Complete Tech Inspection when your rifle arrives—where we completely disassemble, inspect, and gauge each component, consult with you on any work to be done, then clean, assemble, lubricate and test fire your rifle. The TI is the foundation for all the work we'll do on your rifle. The TI ensures the function and safety of your rifle upon its return to you. Include a day-time phone number so we may discuss our findings with you.

M1 Rifle Marksmanship Part 1 DVD 70 min./b&w—“Rifle Marksmanship with the M1 Rifle, Preparatory Training,” filmed in the 1940’s. This video is in black & white and was produced by the US ARMY as an instructional video on basic marksmanship with the M1. The video is over an hour long and covers every aspect of accurately shooting these famous WWII weapons. This video was digitally transferred from a 16mm film to video. The quality is outstanding!	
M1 Rifle Marksmanship Part 2 DVD 75 min./b&w—“Rifle Marksmanship with the M1 Rifle, Preparatory Training: Elevation and Windage,” filmed in the 1940s. This is a continuation of the original M1 Basic Marksmanship series. It focuses on “elevation and windage” and the correct calculations for setting the M1’s sights. This video is in black & white and was produced by the US ARMY as an instructional video on advanced marksmanship with the M1. The video is an hour long and covers every aspect of sighting these famous WWII weapons.	
US Army Small Arms Weapons in WWII DVD 40 min./b&w—The Fundamentals of Small Arms Weapons; filmed in the 1950’s, it is an instructional video on the basic working operation of a M1 Garand rifle. The video covers many other types of small arms including the BAR, M3, .45 pistol, and .50 caliber machine gun. This is a fascinating instructional video on how a gun really works. Using a giant-sized replica, an Army instructor shows the inner workings of these guns.

It is filled with fascinating instructional scenes of how these rifles work. Using a giant-sized replica, an Army instructor shows all the inner workings of the M1 and M2.

US Army Small Arms Weapons in WWII

40 min./b&w—The Fundamentals of Small Arms Weapons, filmed in the 1950's; it is an instructional video on the basic working operation of a M1 Garand rifle. The video covers many other types of small arms including the BAR., M3, .45 pistol, and .50 caliber machine gun. This is a fascinating instructional video on how a gun really works. Using a giant-sized replica, an Army instructor shows the inner workings of these guns.

US Infantry Weapons in Vietnam

22 min./color—"Weapons of the Infantry," filmed in the 1960s was produced by the US Army and Marine Corps as a training film for their soldiers. This instructional video covers the rifles: M14, the M14A1 and the M16A1. Also included are the M79 grenade launcher, 90 and 106mm recoilless rifles, 50 caliber spotting guns, and 81mm and 4.2 inch mortars. This video is filled with fascinating instructional scenes of how all these famous guns and mortars work.

Fulton Armory Authenticity!

More than entertainment, these official training films from WWII and the Vietnam era are true pieces of history, filled with information you can use.

Hornady TAP FPD™ — For Personal Defense

Personal defense demands superior ammunition.

Exceptionally accurate and consistent, **TAP FPD™** rifle ammo offers enhanced terminal performance with rapid expansion and fragmentation resulting in dramatic wound cavities and a reduced risk of over-penetration. The black nickel-coated cases help eliminate corrosion and improve feeding in all firearms.

TAP FPD™ handgun ammunition is built around our proven XTP (Extreme Terminal Performance) bullet that offers precise accuracy and reliable expansion. Add to it the very best brass, powders and primers precisely matched to each load and you have the finest handgun ammunition ever made.

Loaded specifically to ensure proper functioning in semi-auto and pump shotguns, Hornady's **TAP FPD™** Buckshot delivers the tightest patterns of any buckshot load on the market.

ValuePro™ Gun Cleaning Kits

Contains Grease, 1/3 oz., Triple Action™, 2oz., Bronze Brush, Bore Mop, and Appropriate Cleaning Rod

- For Pistol: Specify .22-.25 Cal., .357-.38/9mm, .40-.41/10mm or .44-.45 14.95
- For Rifle: Specify .22-.223/5.56mm, .243-.257/6mm, .270-.284/6.5-7mm, or .30/7.62mm 16.99
- For Shotgun: Specify 12 or 20 Gauge 19.99

Tetra® Gun Cleaning Pack

The complete chemical cleaning set, Value priced, each pack contains one each: 3.75 oz. Gun Spray, 1 oz. Gun Lubricant, 1 oz. Gun Grease and 4 oz. Copper Solvent 19.95

Tetra® Gun Grease

Heavy-duty fluoropolymer penetrating white grease has operating temperature range from -100 to 750° F. For use on all metal to metal contact surfaces, such as rifle bolts, sears, locking lugs, sight screws, and semi-automatic slide rails. Apply a light coating to metal surface, buff dry for a debris repelling, "glass smooth" surface. 1 oz. squeeze tube 4.99

Tetra® Gun Lubricant

Patented low odor fluoropolymer penetrating lubricant and bore conditioner. Excellent on metal subject to friction and extreme pressure; superior lubrication from -100 to 750° F.

- 1 oz/4 oz/8 oz Bottle 3.99/7.25/11.49

Tetra® Gun Spray

Fluoropolymer Cleaner and Light Lubricant. Spray on as an all-purpose gun cleaner, lubricant, and preservative. Quick-evaporating solvent removes dirt, combustion residue, and conventional lubrication products. Extremely effective as a bore cleaner for black-powder firearms.

- 3.75 oz/8 oz Aerosol 7.49/9.49

Tetra® Gun Action Blaster

Action Blaster™ firearms cleaner/degreaser combines maximum cleaning power with pleasant "outdoor" scent. Quickly and effectively removes firing residue, dirt, and other fouling. 8 oz Aerosol 8.49

Tetra® Gun Copper Solvent

Formulated to provide quick removal of stubborn deposits from firearms barrels. Patent-pending formulation has additive that offers protection from "Bore Etching" or premature barrel wear due to the usage of aggressive solvents. Recommended as the first step in Tetra® Gun Lubricant barrel conditioning.

- 4 oz/8 oz Bottle 6.99/11.99

Tetra® Gun Liquid Blue

The best product for steel touch-up or complete re-blue. Fast-Acting liquid gives a non-streaky uniform blue-black finish. 3 oz Widemouth 4.99

Tetra® Gun Blue & Rust Remover

The safe, reliable solution that removes rust and old blue easily and quickly without damaging base metal. Removes old metal finishes from modern firearms, muzzleloaders and antiques. 3 oz Widemouth 4.99

ProSmith™ 8" Universal Pistol Rod Made from 3/16" stainless steel and TufCoat™ coated for maximum barrel protection, these pro cleaning rods are equipped with exclusive Delrin® handle with screw-on bushing and brass collar. ProSmith 8" universal pistol rods will effectively clean most handgun-caliber weapons, .22 and up 18.95

ProSmith™ 8" Universal Twin-Tip Pistol Rod

Made to the same specifications as our premium 8" universal pistol rod, this unique product has the Delrin handle placed in the middle of two 8" cleaning lengths. Use one end for patches, the other for brushes, reducing cleaning time required 22.95

ProSmith™ .22-.270 & .280-.338 Caliber Rifle Rods

Made from #416 heat-treated stainless steel and TufCoat™ coated for maximum barrel protection, ProSmith™ rifle cleaning rods are equipped with exclusive Delrin handle with screw-on bushing and brass collar for maximum comfort and cleaning efficiency. Pro-Smith rifle rods are available for .17 Cal. (5/32"), 22-.270 caliber (3/16") and .280-.338 caliber (1/4") barrels.

- .17 Cal: 29"/36" 23.95/24.95
- .22-.270 Cal.: 29"/36"/44" 24.95/25.95/26.95
- .280-.338 Cal.: 29"/36"/44" 25.95/26.95/27.95

ProSmith™ 10/12 Gauge Shotgun Rod with 5/16-27 Thread. Two-piece TufCoat coated rod made from 5/16" diameter stainless steel. Available in 34" length, ProSmith shotgun rods are machined with 10-32 thread size to fit most standard cleaning jags and tips. This unique and incredibly strong cleaning rod can also be used for black powder firearms, up to .50 caliber. 27.95

ProSmith™ .22 Centerfire (e.g., .223) / .30-.45 Universal Bore Guide. A work of art made from 6061-T6 Aluminum and anodized, the ProSmith premium bore guide offers superior performance and durability. The ProSmith Bore Guide has longer than standard tube lengths and comes with a fluid port for strong solvents to be added to the cleaning patch directly. Guide parts are made from solid Delrin and brass. 22.95

ProSmith™ .17, .22, .243/6mm, .270/.284/7mm, .30, .357/.38/9mm, .40/.41, .44/.45, and 12 & 20 Gauge Phosphor Bronze Brushes. Remove stubborn contaminants from firearm barrels; close tolerance specifications for perfect fit. Will not harm or scratch steel; durable and reusable.

- Specify (except Shotgun) 2.99
- Specify 12 or 20 Gauge Shotgun 3.99

ProSmith™ .17, .22, .243/6mm, .270/.284/7mm, .30, .357/.38/9mm, .40/.41, .44/.45, and 12 & 20 Gauge Jags.

Designed to work in combination with all ProSmith TufCoat coated stainless steel cleaning rods and machined from high-quality brass, each ProSmith jag provides maximum cleaning power by offering a perfect bore seal and fit with excellent durability.

- Specify (except Shotgun) 2.99
- Specify 12 or 20 Gauge Shotgun 3.99

ProSmith™ Cotton Cleaning Patches

100% Cotton Flannel, extremely durable, soft and absorbent. Excellent for removing firing residue. Great for polishing and buffing.

- .17-.22 Cal. Patches 800 Pack 7.99
