SHOOTING BENCHES

VOYAGER SHOOTING SYSTEM™

The Voyager Shooting System™ serves as a fully-functional handcart to get you in and out of the field with ease and sets up in seconds to form a rock solid mobile shooting bench. With the Voyager, active shooters now have a great way to pull up stakes and reposition for a continuous day of action. When success strikes, the Voyager quickly and easily converts back into handcart mode to haul your gear/game out with ease.

40899 Voyager Shooting System

DELUXE SHOOTING BENCH

The “soft top” on the Deluxe Shooting Bench comes with rolled edges to prevent ammo or brass roll-off. The spotting scope bracket swings out of the way when not in use, and the removable shooting yoke allows for a 20° shot swing. This bench has a vertically adjustable seat and folds for easy transportation.

40897 Deluxe Shooting Bench

DELUXE FIELD AND RANGE BENCH

Sit in comfort and shoot with confidence. The Shooters Ridge® Deluxe Field and Range Bench is pre-assembled and sets up in seconds to get you in the game faster. With a wide, padded seat and a rolled edge cushion top that doesn't heat up in the sun and keeps brass on the table, the Deluxe Field and Range Bench is a rock solid shooting bench for the high-volume, mobile shooter.

SHOOTING RESTS

ZERO KICK SHOOTING REST

Shoot more and ache less with the Zero Kick Shooting Rest. Place your gun in the front and rear sand bags, position the recoil elimination strap around the butt and enjoy 90% less felt recoil. Make use of the old weights in your basement, or place shot bags on the platform to further reduce recoil. Handles all magnum loads. Front and rear height adjustments, windage control and solid aluminum construction make the Zero Kick a tack-driving rest that will provide years of rugged service.

40805 Zero Kick Shooting Rest

DELUXE RIFLE REST

Our popular Deluxe Rifle Rest features a Recoil Reducing Weight Tray for even less felt recoil. Stack bags of shot or sand (up to 50 lbs.) on this tray to virtually eliminate recoil. This rest allows you to make micro windage and elevation adjustments for quick target acquisition and precise shots. Assembles without tools.

40804 Deluxe Rifle Rest

SHOOTING REST WITH GUN VISE

Accomplished hunters and shooters know how important it is to have a steady rest. This rest features full 360° rotation and allows quick major and minor elevation adjustments, making it very effective for use on varmints. Take the rest home after the hunt, and you have an excellent vise to clean your gun.
