40895 Deluxe Field and Range Bench \$166.49

# SHOOTING RESTS

## ZERO KICK SHOOTING REST

Shoot more and ache less with the Zero Kick Shooting Rest. Place your gun in the front and rear sand bags, position the recoil elimination strap around the butt and enjoy 90% less felt recoil. Make use of the old weights in your basement, or place shot bags on the platform to further reduce recoil. Handles all magnum loads. Front and rear height adjustments, windage control and solid aluminum construction make the Zero Kick a tack-driving rest that will provide years of rugged service.

40805 Zero Kick Shooting Rest \$181.95

## DELUXE RIFLE REST

Our popular Deluxe Rifle Rest features a Recoil Reducing Weight Tray for even less felt recoil. Stack bags of shot or sand (up to 50 lbs.) on this tray to virtually eliminate recoil. This rest allows you to make micro windage and elevation adjustments for quick target acquisition and precise shots. Assembles without tools.

40804 Deluxe Rifle Rest \$141.49

## SHOOTING REST WITH GUN VISE

Accomplished hunters and shooters know how important it is to have a steady rest. This rest features full 360° rotation and allows quick major and minor elevation adjustments, making it very effective for use on varmints. Take the rest home after the hunt, and you have an excellent vise to clean your gun.
