

KOLPIN

OUTDOOR INNOVATION

03 is going to be a great year at Kolpin Outdoors, Inc. We've invented exciting new "Outdoor Innovations" in Hunting and ATV accessories. We've also "reinvented" products with new styling and technology. It's all part of our commitment to redefine the industry standard with patented designs and state of the art materials.

We're very excited about our 03 product line. Our new **Gun Boot® 5.0** is a complete firearm storage and transport system. An industry first, the adjustable built-in bracket provides the ultimate convenience. Function was the inspiration behind the development of our **Bucket Hugger™ Contoured Cargo Tray**. The tray holds 5 gallon buckets and will accommodate tools, along with Gun and Gear Grips™. A desire by hunters for a hands free, high powered light source in the field, drove the introduction of our patent pending **ATV Light Bar**.

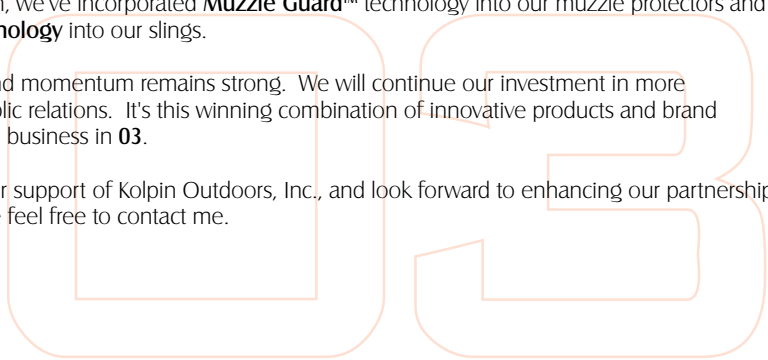

Our new Hunting Accessories include the **Classic Scopetector®**, the reinvention of a traditional case using a patented design and new materials. We also believe we've revolutionized the styling of value oriented cases in our new line of **Evolution™** cases. In addition, we've incorporated **Muzzle Guard™** technology into our muzzle protectors and **Gel Technology** into our slings.

The Kolpin brand momentum remains strong. We will continue our investment in more advertising and public relations. It's this winning combination of innovative products and brand support that will grow your business in 03.

I would like to take this opportunity to thank you for your support of Kolpin Outdoors, Inc., and look forward to enhancing our partnership with you. If you have any questions or concerns, please feel free to contact me.

I wish you the best of success in 03.

Pat Gantert
President/CEO
Kolpin Outdoors, Inc.

INVENTING AND REINVENTING OUTDOOR INNOVATIONS.

ATV LIGHT BAR

Lighting the way to innovation. Kolpin's patent pending ATV Light Bar provides high powered lighting during ATV outings.

GUN BOOT® 5.0

A reinvented innovation only from Kolpin. Utilizing an innovative "case within a case" design and the industry's first adjustable built-in bracket, the Gun Boot® 5.0 is a complete firearm storage and transport system.

CLASSIC SCOPETECTOR®

Reinvention of a traditional case. The Classic Scopetector® features Kolpin's patented design, state of the art Muzzle Guard™ muzzle protector and new 600D Rhino Rib™ for reinforcement in critical wear areas.

BUCKET HUGGER™ CONTOURED CARGO TRAY

Invention of a multi-functional ATV accessory. Specifically engineered to hold 5 gallon buckets, tools and Gun Grips™, the Bucket Hugger™ Contoured Cargo Tray is a must have by every ATV owner.

EXCLUSIVE MATERIALS ONLY AVAILABLE FROM KOLPIN®

RHINO RIB™

Rubber ribbing for reinforcement in critical wear areas. Rhino Rib™ is extremely durable and waterproof.

RHINO RIB™ FOAM

Unique Rhino Rib dense foam provides the ultimate protection and cushioning.

SEALTEKTOR™ TECHNOLOGY

Electronically welded seams ensure 100% waterproof protection. Features waterproof vinyl laminated to 600 denier polyester for strength.

VAPOR CORROSION INHIBITORS

Vapor Corrosion Inhibitors (VCIs) are a class of corrosion inhibiting compounds that will cling to metal surfaces and protect them from rust and corrosion.

RHINO HIDE™

A rugged material that is water resistant and stain resistant.

MUD GUARD™ ZIPPERS

Innovative zipper guards prevent mud and debris from entering the case. Features exclusive Kolpin branded zipper pulls.

600 D RHINO RIB™

Durable, 600 denier fabric ribbed for reinforcement in critical wear areas.

MUZZLE GUARD™

Molded EVA foam built into the muzzle provides the ultimate in protection of valuable firearms.

GUN BOOT® CASES

NEW

GUN BOOT® 5.0 TRANSPORT

Patent Pending

20090 GUN BOOT® 5.0

- › A complete firearm and storage transport system with a built-in bracket and "case within a case"
- › The universal fit built-in bracket adjusts without the use of any tools
- › Polypropylene shell provides heavy-duty protection
- › Room for 50mm scopes or rifles with slings attached
- › Airline Approved

SOFT CASE FEATURES

- › Cordura® and exclusive Rhino Hide™ material for durability
- › Outside shell box pocket with Rhino Rib™ reinforcement
- › Ballistic nylon handle
- › Mud Guard™ zippers prevent debris from entering the case
- › "Kolpin" molded zipper pulls
- › Two layers of dense closed cell foam
- › Floats guns weighing over 12 lbs.

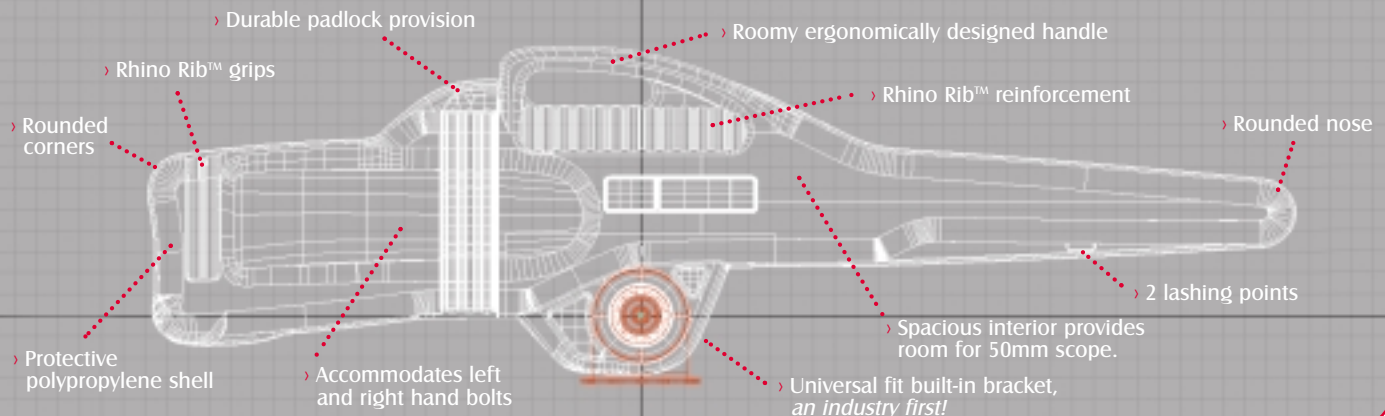

› The universal fit built-in bracket adjusts without the use of any tools

› Outside shell box pocket with Rhino Rib™ reinforcement

GUN BOOT® 5.0 INNOVATION

SINCE 1973, THE MOST WIDELY TRAVELED AND UNIVERSALLY USED HARD GUN CASE IN THE WORLD.

GUN BOOT® IV TRANSPORT™

Patent Pending

20055 BLACK

Soft case fits inside the hard case

HARD CASE FEATURES

- › Polypropylene shell provides heavy-duty protection
- › Anatomically designed to accommodate left and right hand bolt action rifles or shotguns
- › Room for 50mm scopes or rifles with slings attached
- › Mounting systems available to accommodate virtually any ATV
- › Airline Approved

SOFT CASE FEATURES

- › Cordura® and exclusive Rhino Hide™ material for durability
- › Ballistic nylon handle
- › Mud Guard™ zippers prevent debris from entering the case
- › "Kolpin" molded zipper pulls
- › Two layers of dense closed cell foam
- › Floats guns weighing over 12 lbs.

GUN BOOT® IV

Patent No. D421179

20071 REALTREE HD
20061 MOSSY OAK BREAKUP®
20051 BLACK INDIVIDUAL
20050 BLACK FIVE PACK

- › Polypropylene shell provides heavy-duty protection.
- › Anatomically designed to accommodate left and right hand bolt action rifles or shotguns.
- › Removable and replaceable Impact™ lining for shock absorption and protection
- › Room for 50mm scopes or rifles with slings attached
- › Mounting systems available to accommodate virtually any ATV
- › Airline Approved

GUN BOOT® III

Patent No. D309675

10051 INDIVIDUAL
10050 FIVE PACK

- › Polyethylene shell provides heavy-duty protection
- › Designed to accommodate right handed bolt action rifles or shotguns
- › Plush pile lining gently secures firearm inside
- › Room for 40mm scopes or rifles with slings attached
- › Airline Approved

GUN BOOT® BRACKETS

NEW

BOOTECTOR™ BRACKET

20035

Patent Pending

Kolpin Outdoors, Inc. is proud to introduce an innovative new bracket that will revolutionize ATV firearm transport. The new Bootector™ Bracket, the most convenient, compact and secure firearm bracket on the market.

- › Fits the Gun Boot® IV case
- › Mounts to nearly all ATV racks
- › Adjusts without the use of any tools
- › Compact design provides more room on the ATV rack
- › Lightweight and extremely durable

› Adjusts without the use of any tools

› Mounts to nearly all ATV racks

GUN BOOT® IV MOUNTING BRACKETS

Kolpin provides several methods to mount your Gun Boot® case securely to your ATV. The heavy metal construction offers quick release of the Gun Boot® case as well as lockability. The rubber armor coated ring holds the Gun Boot® case while a provided locking pin keeps it in place to

prevent vibration and movement. A padlock may be used for extra security. The bracket is fully adjustable with three angle positions and can be used on snowmobiles in the flat position. The bracket is very compact and does not take up much room on the ATV when the case is removed.

20037
FOR METAL TUBE RACKS

20038
FOR PLASTIC COMPOSITE RACKS

20039
FOR METAL MESH BASKETS

GUN GRIPS™

Exclusively from Kolpin®

20070

- › Molded perfectly to accommodate the Gun Boot® III and Gun Boot® IV case
- › Secured by patented Fin Grips™ and strap for added security

GUN BOOT® III BRACKET

Patented

20025

- › Durable metal bracket secures the Gun Boot® III to your ATV or transport

GUN BOOT® IV BRACKET WITH SUPPORT PLATE

20030

GUN BOOT® IV METAL BRACKET

20129

ONE PIECE GUN BOOT® IV BRACKET

Patent No. D452, 290

20029

- › One piece, high density, fiberglass reinforced, polyethylene bracket
- › Superior geometry eliminates wobbling and bouncing
- › Mounts to either side of ATV
- › Metal wire pin lock keeps Gun Boot® case in place

LIFTER KIT

20031

- › Molded perfectly to accommodate the One Piece Gun Boot® Bracket
- › Provides more ground clearance
- › Made of high density, fiberglass reinforced, polyethylene

ATV HARD GOODS / ACCESSORIES

NEW

② Complete with two replaceable 55 watt lights in a durable, off road design. Lights can be mounted above or below.

② Rhino Rib™ corners for added structural support

ATV LIGHT BAR

Patent Pending

97600 ATV LIGHT BAR WITH MOUNTING BASE

- › Universal fit mounting system
- › Extruded aluminum frame for durability
- › Two 55 watt bulbs deliver up to 3 times the light of high intensity bulbs and combined with the optical lense can deliver a 20 degree horizontal beam with up to 2600 ft. reflective range
- › All wiring included with easy on/off switch
- › Rhino Rib™ corners for added structural support

TOOL PRESS® BRACKET

Patent No. D454, 479

20045 FOR FRONT OR REAR TUBULAR RACKS
200458 FOR FRONT OR REAR COMPOSITE RACKS
200459 FOR PICKUP BEDS

- › Heavy duty metal brackets will securely hold two long-handled tools like axes, shovels, post hole diggers, etc.
- › Two metal brackets with thick rubber lining clamp tool handles and locks securely
- › Holds short handled tools in vertical position

SAW PRESS® BRACKET

Patent No. D442, 454

20041 FOR TUBULAR REAR RACKS
20042 FOR TUBULAR RACKS FRONT MOUNT
200428 FOR COMPOSITE RACKS
200429 FOR PICKUP BEDS

- › Heavy duty black powder-coated metal bracket is designed to hold any model of chainsaw to an ATV
- › Four different mounting methods to accommodate all applications
- › Holds any length and/or width chainsaw bar
- › Bracket is designed to support the weight of the chainsaw engine on the top flat plate
- › All brackets are adjustable up or down and 45 degrees left or right
- › Chainsaw bar cover is suggested

BUCKET HUGGER™ CONTOURED CARGO TRAY

Patent Pending

91710 FRONT/REAR TRAY

- › 36" x 18" x 10"
- › Designed to hold 5 gallon buckets, tools and Gun Grips™
- › Durable polypropylene double walled construction
- › Rhino Rib™ reinforcement on bottom and body provides extra durability
- › Drain holes
- › Large molded side handles for easy carrying and tying down to the ATV
- › Mounting hardware included

① Mounting platform accommodates Kolpin Gun Grips™ and multiple tools

ATV HARDSIDE LUGGAGE

93200 CONTOURED CARGO BOX - 36 1/2" L x 17 1/2" W x 13" H
93100 FRONT/REAR GEAR BOX - 32 1/2" L x 15" W x 8 1/2" H

- › Great storage for supplies and equipment
- › Hard-sided ATV luggage cases made of durable polypropylene
- › Heavy duty "Cam-Lock" latches recessed to prevent snags
- › Weathertight gasket seals out mud, dust and debris
- › Rhino Rib™ reinforcement on body provides extra durability
- › Both cases accept standard locks for lockability

CARGO NETS
