# NEW Products!

## Shoot•N•C® 18" Bull's-Eye Target

The biggest bull's-eye target we make. New for 2004, these 18" targets are the best for long range rifle shooting – 200 yards and beyond! The greater surface area makes them the perfect choice for use with muzzleloaders, shotgun slugs and even to show shotgun patterning. The self-adhesive back makes set-up and replacement easy. And, the twenty-four 1" self-adhesive repair pasters included on each target sheet will extend the target life.

34185 SR3-5 18" Bull's-Eye 5 Sheet Pack

## Reel Scrubber® Solvent/Degreaser "Tackle Box" Sized Aerosol

NEW  
FORMULA!

The solvent/degreaser you rely on to penetrate even the tiniest crevices of your reel now has a new formula that's even more effective in removing dirt, oil and grease. The new take-along sized aerosol makes the cleaning process even easier. It offers tackle box-sized cleaning for all your moving parts, including gears, bearings, shafts, drag systems, etc. It is perfect for fresh and saltwater spinning, spincasting and bait casting reels as well as other marine equipment. No disassembly of the reel is required – the extension tube produces a blasting action that penetrates deep. The new formula is less expensive and safe for most plastics and painted surfaces.

32226 RSA2 2 oz net wt Aerosol Can

## Maintenance Take-Alongs

Your favorite BIRCHWOOD CASEY cleaning and maintenance chemicals are now available in small, convenient "Take-Along" sized aerosols. They're pocket-sized and can fit anywhere, including hunting, shooting and tool boxes when you're out in the field. They're perfect for when cleaning is needed in a pinch. Available in a convenient 12-pack counter display.

## Gallery™ Resetting Targets .22 Rimfire and Airgun

No parts,  
tools or  
assembly  
required!

Get the hottest new targets for plinking enthusiasts! Extremely convenient, you'll experience hours of shooting fun with your .22 rimfire or airgun, without having to walk down range or pull chords to reset. Simply hit all four hanging targets and then shoot at the resetting target and all four targets drop back down for another round of shooting fun. And, with no assembly, parts or tools required, these targets set-up fast and are easily stored. Both solid steel targets feature twist designed paddles with no welds to break and come with a lifetime guarantee from breakage! Airgun version requires a moderately powerful airgun (approximately 500 feet per second or faster) with lead pellets only to operate effectively.

*The quick & dirty target – the Dirty Bird™ – just pop it up & start shooting.*

## Dirty Bird™ Targets

The name comes from the splatter of white that appears upon bullet impact, which allows you to immediately spot each shot. These targets are a great value and simple to use both indoors and outdoors. The black and white contrast of these splattering targets is also perfect for reading shot groups. The non-adhesive back also allows you to affix to a surface as you wish, add notes and then easily save the targets for future reference.

Why use paper targets when you can enjoy the splatter of DIRTY BIRD targets? And with the price per target comparable to paper, DIRTY BIRD targets are not only easy on the eyes, but easy on your wallet.

- Nine, 3" targets on one convenient sheet.
- Room between targets to write notes from various ammunition.
- Multiple target facings to test different target loads.

- Four, large 5-1/2" targets on one sheet.
- Great for longer range and handguns.

# Gun Cleaning & Maintenance

## Gun Scrubber® Solvent/Degreaser

The jet-action, high pressure solvent/degreaser that blasts away dirt and fouling – and air dries immediately. Removes all kinds of oil, grease, grit and softens powder residue, leaving metal perfectly clean and free of any film. Eliminates most common causes of gun failures by effectively cleaning (without disassembly) with the solvent used by professional gunsmiths. Great for semi-automatic and gas operated shotguns, rifles and pistols. A handy extension tube produces a powerful blasting action that penetrates even the tiniest crevices. Flushes out both soluble and insoluble residue from hard to clean trigger assemblies, inside receivers and actions without disassembly. Excellent for removing preservative coating from bullet molds, cleaning all reloading tools and for removing foreign matter from shotgun choke tubes and barrel threads.

- Non-flammable – harmless to metal finishes.
- Fast – air dries immediately – no rinsing.
- No ozone depleting chemicals.
- Thorough – effectively removes grease, oil, and grit.
- Excellent for all guns – rifles, shotguns, handguns.
- Easy-to-use – no need for complete dismantling.

## Bore Scrubber® 2-in-1 Bore Cleaner

A complete formula for copper and nitro fouling. This 2-in-1 solvent does it all! Attacks, dissolves and removes all types of barrel fouling including: lead, copper, plastic, carbon and powder fouling. Superior rust preventive additives provide long term protection after cleaning. Contains no nitrobenzene, butyl cellosolve or other highly toxic ingredients. Safe, fast and easy to use. Great for rifles, shotguns, and handguns.

# Gun Protection & Lubrication

## Sheath<sup>®</sup> Rust Preventive

SHEATH Rust Preventive protects your firearms from rust. It rapidly drives out moisture from metal pores and deposits a transparent coating which seals the surface with a protective film. Withstands 500 hours in ASTM humidity test and 96 hours in ASTM salt spray test. SHEATH Rust Preventive is also an excellent penetrant for loosening rusty or frozen parts, as well as a good lubricant and an effective bore cleaner. Contains FPR to wipe off corrosive fingerprints on all your firearms. Available in spout or aerosol cans.

33128	PS4	4 1/2 fl oz	Spout Can
33150	PS	128 fl oz (Gallon)	Metal Can (not pictured)
33126	PSA2	2 oz net wt	Take-Along Aerosol
33135	PSA6	6 oz net wt	Shop Size Aerosol
33140	PSA10	10 oz net wt	Professional Size Aerosol

## Sheath<sup>®</sup> Take-Alongs

Convenient SHEATH Take-Alongs are individual 5" x 8" cloths impregnated with SHEATH Rust Preventive and sealed in a foil packet for compact carrying. Take-Alongs are handy to use as a bore cleaner/protector when run through gun bore. Also available in a 100 pack, plastic bowl counter display with an eye catching label. Great counter display for dealers and clubs.

33012	STA12	Pkg 12 Cloths
33170	STA100	100/Plastic Bowl
33194	STA2000	2000/Carton (not pictured)

## Synthetic Gun Oil With Teflon<sup>®</sup> Lubricant

A superior lubricant for all climates. Contains TEFLON lubricant to greatly reduce the friction between mating surfaces. Will not gum-up or lose its viscosity under extreme temperature variations from -55°F to +300°F. The natural solvency of Synthetic Gun Oil cleans as it oils while its low evaporation rate assures protection against rust. Excellent for lubricating and protecting all metal sports equipment and for many household applications. In handy spout can or convenient aerosols.

44128	BC04	4 1/2 fl oz	Spout Can
44126	GOA2	2 oz net wt	Take-Along Aerosol
44135	GOA6	6 oz net wt	Shop Size Aerosol
44140	GOA10	10 oz net wt	Professional Size Aerosol

## Moly Lube<sup>™</sup> Dry Film Lubricant

A dry film lubricant designed to lubricate and penetrate, forming a smooth, extremely slippery surface on metal. Molybdenum disulfide particles are deposited onto metal surfaces and give maximum lubricity and wear resistance, even under extreme temperatures and pressures. Won't attract and hold dust, dirt or other contaminants! Easy-to-use MOLY LUBE Dry Film Lubricant uses an almost instant-drying solvent/degreaser as the carrier in a convenient, aerosol can. Especially suited for internal lubrication of moving parts on all firearms. Recommended for precision airguns where petroleum lubricants are not advised.

40131	MOS2	4 oz net wt	Aerosol Can
-------	------	-------------	-------------

## Choke Tube Lube

Prevents stuck choke tubes caused by corrosion, high stress of steel shot loads, extreme temperatures and pressure from repeated trap and skeet shooting. Withstands heat and prevents seizure even at extreme temperatures up to 2000°F. Provides maximum lubrication against friction and excellent corrosion protection from rain and salt water. Anti-seize lubricating compound guarantees ease in choke tube insertion and removal for all regular and stainless steel tubes. Excels as a universal lubricant and eliminates galling on stainless steel. Excellent for use on muzzleloaders, breech plugs and nipples to prevent seizing.

30 units in all. 75 FREE Gun Care Guides included.

30123 BC-123 3-Step Gun Care Display

### Lead Remover & Polishing Cloth

Brings back original luster. Quickly removes leading, burn rings, carbon residue including copper and plastic fouling, rust and tarnish. Excellent for stainless steel, nickel and most metal surfaces. Great for use on handguns, rifles, shotguns and muzzleloaders. Can be cut to size for removing unwanted residue inside the chamber, cylinder, forcing cone, bore and choke. Cleans and polishes metal, wood, glass, plastic and porcelain surfaces – ideal for sporting equipment, home and auto use.

31001 LRC 9" x 12" Poly Bag

### Gun & Reel Silicone Cloth

Leaves a lustrous, lasting, protective film on all metal, wood and plastic surfaces. The double-napped, 100% cotton flannel cloth is impregnated with pure silicone and then packaged in a convenient reclosable poly bag, staying clean and moist after use. Use on firearms, sporting equipment and precision instruments to safely remove dust and corrosive fingerprints.

30001 SGRC 14.4" x 15" Poly Bag  
30350 SGRC 350 Cloths Unpacked/Carton (not pictured)

### No. 77 Black Powder Solvent

Prevent rust and loss of accuracy from black powder fouling by cleaning your muzzleloader with No. 77— the traditional, water-soluble cleaner. Safe for use with natural lubricants. Effectively dissolves powder residue and loosens any metal traces for easy removal. After cleaning your muzzleloader, apply Sheath® Rust Preventive to all metal parts to protect from rust. Flip-top for no-spill cleaning.

# Gun Blues

## Perma Blue® Liquid Gun Blue

A #1 bestseller, PERMA BLUE Liquid Gun Blue is the proven way to touch-up scratches and worn spots or to completely re-blue most guns. It will give a non-streaky, even blue-black finish to steel (except stainless). All parts to be blueed must be thoroughly cleaned with a metal cleaner such as BIRCHWOOD CASEY Cleaner-Degreaser and any rust must be removed before applying the blue.

13125	PB22	3 fl oz	Plastic Bottle
53000	BST4	128 fl oz	Gallon (not pictured)

## Perma Blue® Paste Gun Blue

The longest lasting finish, but slower to darken than the liquid blues. Easy to use, PERMA BLUE Paste Gun Blue reacts slowly with the metal but builds up a denser finish that will outlast the liquid blues. Excellent for touch-up or complete rebluing. Metal must be clean and free of rust (like the liquid blues) and sealed with Sheath® Rust Preventive to enhance and protect the finish. A dark blue color may require three or more applications of PERMA BLUE Paste but each coat takes only 30 to 60 seconds to work. Complete instructions on each tube. Apply with swab or "Q-tip."

13322	SBP2	2 oz net wt	Squeeze Tube
-------	------	-------------	--------------

## Super Blue™ Liquid Gun Blue

A double-strength blueing solution designed for blueing highly polished steel parts and hardened steels containing nickel and chrome alloys. SUPER BLUE Extra Strength Gun Blue is the blackest blue. Use caution to confine the solution to the area to be reblued, as it will have an effect on the existing blue.

13425	R2	3 fl oz	Plastic Bottle
13450	R2	128 fl oz	Gallon (not pictured)

## Plum Brown™ Barrel Finish

Produces a rich, authentic, old style brown finish for original or replica firearms. PLUM BROWN Barrel Finish is ideal for restoring antique guns, muzzleloaders and other metal antiques. A durable, protective and attractive finish that's simple to apply. Just heat metal with propane torch or other clean, convenient method and apply browning solution with swab. Immediate results – no waiting for old-fashioned slow rust process which can take weeks to finish.

14130	PB5	5 fl oz	Glass Bottle
14150	PB	128 fl oz	Gallon (not pictured)

## Aluminum Black® Metal Finish

The room temperature chemical used by gunsmiths and industry to blacken aluminum parts. Restores scratched and marred areas quickly. Fast-acting liquid is easy to apply with no dimensional change. Color will vary from deep gray to black depending on alloy. ALUMINUM BLACK Metal Finish is also excellent for blackening name plates, plaques, trophies and other engraved items.

15125	PAB	3 fl oz	Plastic Bottle
63000	A14	128 fl oz	Gallon (not pictured)

## Brass Black Metal Touch-Up

Fast-acting liquid used by gunsmiths and industry to blacken or antique brass, copper and bronze parts. Easy to apply with no dimensional change. Often used to mark cartridge cases to identify loads. Excellent for blackening name plates, plaques, castings, sculptures and other home, workshop and hobby uses. Color varies depending on alloy and can be highlighted if desired.

15225	BB2	3 fl oz	Plastic Bottle
74000	M24	128 fl oz	Gallon (not pictured)

# Special Metal Treatments

## Blue & Rust Remover

Blue & Rust Remover is a safe, reliable solution that removes rust and old blue easily and quickly without damaging base metal. Safe for removing old finish from firearms, muzzleloaders and antiques. Also excellent for removing rust from tools, gauges and precision instruments. Blue and rust removal is a necessary step before rebluing or browning.

16125	BR1	3 fl oz	Plastic Bottle
-------	-----	---------	----------------

## Cleaner-Degreaser Liquid and Aerosol

Specially formulated to remove dirt, fouling, grease and oil quickly and easily. Cleaner-Degreaser Aerosol uses a high-pressure dry spray to clean metal surfaces fast, with a quick drying time that leaves no residue. It's a safe, easy and effective way to clean your firearm thoroughly or as a preparatory cleaner for bluing or browning.

16240	CD12	12 oz net wt	Aerosol Can
16225	GC11	3 fl oz	Plastic Bottle

## Presto® Gun Blue Pen

The fastest and easiest way to touch-up nicks and scratches is with an easy-to-use PRESTO Gun Blue Pen! Penetrates hard steel instantly and gives a durable blue-black finish that won't rub off. Use like a marking pen for one coat coverage on non-stainless steels. No spill. No drip. Simply rub on with "bullet point" felt tip!

13201	PSP	Felt Tip Pen
-------	-----	--------------

## Super Black™ Touch-Up Pens

An easy and effective way to touch-up nicks, scratches and worn areas of black anodized aluminum or black painted surfaces. The pen contains a fast drying, lead-free paint with superior adhesion and durability that helps fill in deep scratches or worn areas. These special formulations are for use on highly polished and matte finished alloy gun receivers, trigger guards, scopes, binoculars, cameras, flashlights, fishing reels and other sporting accessories. Use like a marking pen with no mess – simply rub on with "chisel point" felt tip.

15101	BPP	1/3 fl oz	Gloss Black
15102	BPPF	1/3 fl oz	Flat Black

## Super Bright™ Touch-up Sight Pens

Shoot better in any light! These pens provide a fast and easy way to touch-up chipped, dull or scratched sights. These pens contain a fast-drying, lead-free paint with superior adhesion and durability. Use on front and/or rear sights for better sight visibility. Apply two layers of white undercoat, then fluorescent red or neon green to make color even brighter. Brighter sights help to obtain a quicker sight picture. Great for rifles, pistols, shotguns and archery pins. Use like a marking pen with no mess—simply rub on with "chisel point" felt tip.

15103	RWP	Combo Pack	1/3 fl oz	Fluorescent Red & Flat White
15104	GWP	Combo Pack	1/3 fl oz	Neon Green & Flat White
15105	WPP	Single Pack	1/3 fl oz	Flat White

## Gold Stick™ Engraving Enhancer

Fill stampings, engravings, and etchings with a gold inlay! This gold lacquer stick makes touch-up or enhancing any firearm easy. Simply degrease the area to be gold-filled and then rub GOLD STICK Engraving Enhancer over recessed areas. Lacquer coats area, leaving it looking like real gold. Easily wipe away excess lacquer with facial tissue, followed by a soft cloth. The easy-to-apply semi-permanent finish will give your gun a custom gold inlay appearance.

15202	GLD	16 grams	Gold
-------	-----	----------	------

# Gun Stock Finishes

## Tru-Oil® Gun Stock Finish

There is no better oil finish! TRU-OIL Gun Stock Finish is the professional's choice for gunstock (or furniture) finishing for more than 30 years. Its unique blend of linseed and natural oils dries fast, resists water damage and will not cloud, yellow or crack with age. TRU-OIL Gun Stock Finish penetrates deeply and forms a tough, clear, hard finish that protects and enhances the beauty of fine woods. For a hand rubbed, satin luster, simply buff with steel wool and rubbing compound or use Stock Sheen & Conditioner. Excellent as a sealer for under butt plates, recoil pads and in inletted actions to prevent stock damage. Use the liquid for fast filling of the pores and the aerosol for the final finish.

23123	TO22	3 fl oz	Plastic Bottle
23035	TO8	8 fl oz	Plastic Bottle
23150	TO	128 fl oz	Gallon (not pictured)

## Tru-Oil® Gun Stock Finish Aerosol

These aerosols are used by professional gunsmiths for the finishing coat of a TRU-OIL Gun Stock Finish. The easy aerosol application is fast drying and will not yellow or crack with age. Excellent for wood refinishing projects around the home.

23235	TAC7	7 oz net wt	Aerosol Can
23245	TAC13	13 oz net wt	Aerosol Can

## Walnut Wood Stain

Water soluble stains are sun-fast, true to color and non-bleeding. Produces a clear, rich color without grain clouding or smearing. Highlights the grain and enhances the natural beauty of wood. Walnut Stain is a true, brown-walnut color for the traditional look. Color intensity is easily controlled by adding water to concentrate or using full strength for light colored woods such as birch.

24123	WS1	3 fl oz	Plastic Bottle
-------	-----	---------	----------------

## Gun Stock Sealer & Filler

Sealer & Filler seals out moisture and fills the pores in one easy step. A clear sealer and filler lets you choose your favorite stain or leave the wood in a natural tone. Use Sealer & Filler as the first step to a beautiful Tru-Oil® Gun Stock Finish. Easy to use and dries fast.

23323	S & F	3 fl oz	Plastic Bottle
-------	-------	---------	----------------

## Gun Stock Wax

A high-quality formula combining protective and beautifying qualities of the finest carnauba, beeswax and silicone. Produces a lustrous water repellent film that will not rub off like oils. Offers maximum protection against finish cracking from weather and handling. Enhances and protects the beauty of woods, metals and leather.

23723	PSW	3 fl oz	Plastic Bottle
-------	-----	---------	----------------

## Stock Sheen & Conditioner

The easy way to give your newly finished Tru-Oil® Gun Stock a traditional satin finish or to clean, beautify and polish your old stock. Removes surface imperfections and gives your stock a smooth, hand-rubbed finish. Also protects against weather and handling. Will not fingermark.

23623	CDZ	3 fl oz	Plastic Bottle
-------	-----	---------	----------------

## Stock Restorer & Protectant

If any of your shooting equipment looks worn out, bring it back to life with Stock Restorer and Protectant! It enriches the color of your synthetic stocks and enhances the luster of your wood. Plus, it's excellent for many surfaces including plastic, metal, vinyl or leather. Put a like-new shine on your leather and vinyl gun cases and add a showroom gloss to all your accessories! The spray-on/wipe-off formula is harmless to blued, nickel and stainless metals as well as nearly all plastics. It's non-flammable, odorless and does not harm camouflage patterns. Available in a convenient 2-ounce pump spray bottle.

## Perma Dri® Water Shield Displays

### Counter Top Display

This attractive, compact, eye-catching display is great for every hunting, camping, fishing and shoe/boot department in your store! 30 cans fit nicely into this 21" x 24" x 14" display. Included with both displays are test samples so consumers can experience for themselves the moisture protection PERMA DRI Water Shield will provide. This is a product your active outdoor consumers can not live without!

32301    CLA-CD    PERMA DRI Counter Display

### Floor Display

54 units in all, this versatile display is perfect for any camping, hunting and shoe department in your store. When the rainy season is over, the base stand can be removed, creating a handy countertop display with thirty units for off season display. Bottom tray can also be used with the header for a handy counter top PDQ display (24 units). The durable floor stand with eye catching graphics will generate consumer attention. Give it a try and watch how quickly the product sells. Free test samples included. 57.5" x 22" x 14.5"

32302    CLA-DD    PERMA DRI Deluxe Floor Display

## Lens Cleaner Anti-Fogging/Anti-Static

Specially formulated to help prevent exterior fogging and to repel dust, dirt and lint. Easily and effectively removes fingerprints and oily films from glass and plastic lenses. Excellent for all regular and multi-coated lenses including eyeglasses, scopes, binoculars, shooting glasses, cameras and spotting scopes.

32122    AFAS    2 fl oz    Pump Spray Bottle

## Sight Black™ Aerosol

Convenient take-along "jet" black spray that stops glare! Great for hunting, skeet, trap and target shooting. SIGHT BLACK gives a velvety, flat black coating to barrels, sights and other metal surfaces. Dries instantly. Harmless to precision sights and all finishes. Exclusive handy snorkel tube to control spray.

33925    ASB    3.5 oz net wt    Aerosol Can

## Brass Cartridge Case Cleaner

Super concentrate – this one bottle makes over two gallons of reusable cleaning solution and will clean 8,000 medium sized cases. Easily removes resizing lubricant, oils, grime and stains from brass cartridge cases. Restores them to original finish for reliable operation. Helps remove powder residue. Brass Cartridge Case Cleaner is a safe, non-fuming, non-etching solution that won't weaken cases. Reusable – store solution in a plastic or glass container (not metal) and use when needed.

33845    CCI    16 fl oz    Plastic Bottle

## Reel Scrubber® Solvent/Degreaser

The solvent/degreaser you rely on to penetrate even the tiniest crevices of your reel now has a new formula that's even more effective in removing dirt, oil and grease. The new take-along sized aerosol makes the cleaning process even easier. It offers tackle box-sized cleaning for all your moving parts, including gears, bearings, shafts, drag systems, etc. It is perfect for fresh and saltwater spinning, spincasting and bait casting reels as well as other marine equipment. No disassembly of the reel is required – the extension tube produces a blasting action that penetrates deep. The new formula is less expensive and safe for most plastics and painted surfaces.

# Shoot•N•C® Targets

## Shoot•N•C® Targets 1", 2" and Assortment Bull's-Eye Packs

The SHOOT•N•C Bull's-eye Target Packs are an amazing value! Each pack contains numerous small round targets for a shooter's delight! They can be used for close-range shooting with airguns, and sharp shooting with .22 rimfire or centerfire guns. Use the self-adhesive 1", 2" or 3" bull's-eye targets to design your own custom target sheet. It is a less expensive way to set up challenging targets and test your skills by placing several targets on each page. They also make great pasters for the larger SHOOT•N•C Targets and each size is designed to fit within the next larger size's ring pattern.

34115	AR4-15	270-1" Targets	15 Sheet Pack
34190	AR4-1500		1500 Sheet Range Pack
34210	AR5-10	90-2" Targets	10 Sheet Pack
34285	AR5-1000		1000 Sheet Range Pack
34608	ARA-10	60-1", 30-2", 20-3" Targets	10 Sheet Pack
34685	ARA-1000		1000 Sheet Range Pack

### Shoot•N•C® Self-Adhesive Targets Variety Pack

Not sure which target fits your needs? Try the SHOOT•N•C Variety Pack and see which target works best for you. Fifty targets in all, along with fifty 1" pasters to cover shot marks and extend the shooting life of your larger targets. This package gives you a variety of target sizes to choose from and is great for both long and short distance shooting. There is a target for several shooting needs, including rifles, handguns, pistols and airguns. Pack includes: five 8" bull's-eyes, five 5.5" bull's-eyes, ten 3" bull's-eyes, thirty 2" bull's-eyes and fifty 1" pasters. A lot of target shooting for an economical price. Targets can be adhered to the corrugated backer for convenient shooting fun.

34018 VP-5 5 Sheet Variety Pack

# Shoot•N•C® Targets

## Capture the Shoot•N•C® Experience!

When you go out shooting, you want a reaction. That's why for years old cans and bottles were a favorite at the practice range. Until now! These revolutionary self-adhesive targets explode in color upon impact. And the bright yellow ring around the bullet hole is visible to the naked eye—allowing you shot after shot without interruption. So forget hunting for cans and load up on SHOOT•N•C targets, and let the fun begin!

- To use, simply apply to an existing target or penetrable backstop.
- See bullet holes instantly, without the aid of spotting scopes or binoculars.
- Great for all firearms and calibers.
- Upon bullet impact, a bright yellow ring appears around each hole.
- Indoor/outdoor use. Excellent for those with reduced vision capabilities.

# Shoot•N•C® Targets

## Shoot•N•C® Bull's-Eye Targets

The biggest bull's-eye targets we make. These targets are great for long range rifle shooting – 200 yards and beyond! The greater surface area makes them the perfect choice for use with muzzleloaders, shotgun slugs and to show shotgun patterning. The self-adhesive back makes set-up and even replacement easy. And, the self-adhesive repair pasters included on each target sheet will extend the target life.

## Shoot•N•C® Deluxe Target Kit

This field kit includes everything you need for a day of fun and challenging target practice, including: one self-standing, reusable, heavy-duty cardboard target stand and 40 self-adhesive SHOOT•N•C Targets, including four 8" bull's-eyes, four 5.5" bull's-eyes, eight 3" bull's-eyes, twenty-four 2" bull's-eyes and forty 1" pasters.

34208     DTK     Deluxe Target Kit     4 Target Sheets

# Shoot•N•C® Targets

## Shoot•N•C® Sight-In Targets

Five targets on one sheet, each "exploding" in color upon impact. Use center target for sighting-in, and four smaller targets for testing results of various ballistic loads or for confirmation of sight-in groups. Convenient one-inch numbered grid lines simplify scope adjustments. SHOOT•N•C Targets work with all calibers, feature scratch-proof coating for durability in the field, and are self-adhesive. Apply over conventional "grid" pattern targets and add a little color to you next target practice!

- Large "stadia" lines for centering and helping prevent canting.
- 12" x 12" target size for sighting-in up to 400 yards with scopes as low as 3X.

### Shoot•N•C® Silhouette Target Kit

Reusable kit for your silhouette practice. The kit includes two replaceable self-adhesive SHOOT•N•C "chest" targets, two 9" replacement SHOOT•N•C ovals to cover head, corrugated 23" x 35" silhouette which matches B27R specs and two sheets of repair pasters to cover shot marks.

- Reusable cardboard target for silhouette practice
- Revolutionary SHOOT•N•C technology
- Universal appeal for all calibers and distances
- Targets include tick marks for easy line-up and placement
- Heavy-duty corrugated silhouette makes for long life when shooting, compared to traditional paper targets
- SHOOT•N•C replacement centers conserve target life—no need to replace entire silhouette target after each use
- Recyclable, disposable & biodegradable

34602	SOK-2	12" x 18" Silhouette Kit

# Shoot•N•C® Targets

## Shoot•N•C® Prairie Chuck Targets

The SHOOT•N•C Prairie Chuck targets show hit and misses because the same material is used inside as well as outside the Prairie Chuck outline...allowing you to see shots anywhere on the sheet. Each 7" target uses a 3" bull's-eye for an aiming point.

34776	PC-10	7" Prairie Chuck Target	10 Sheet Pack
34778	PC-1000	7" Prairie Chuck Target	1000 Sheet Range Pack

## Shoot•N•C® Turkey Targets

With SHOOT•N•C Turkey targets you obtain a real life shot with its 9" x 6" size. Giving easy recognition of your pattern density by counting the number of hits inside as well as outside the turkey head outline. Now you can make immediate shot size or choke selections for the optimum pattern of hits in the critical zone!

34965	TS-5	9" Turkey Target	5 Sheet Pack
34967	TS-500	9" Turkey Target	500 Sheet Range Pack

## Shoot•N•C® Turkey Patterning Kit

We now package the popular SHOOT•N•C Turkey targets as a handy kit. Comes complete with one self-standing, reusable, heavy-duty cardboard target stand and seven self-adhesive Turkey targets.

- To use, simply apply self-adhesive SHOOT•N•C Turkey targets to A-frame target stand.
- Upon impact, target's black coating flakes off around each pellet hole, leaving a bright visual pattern density of hits.
- Now you can make immediate shot size or choke selections by viewing the optimum pattern of hits in the critical zone.

## Portable Shooting Range

### With Shoot•N•C® Targets and 24" x 24" Weatherproof Backboard

It's a convenient, portable, easy-to-use shooting range! Plus, it comes with a supply of self-adhesive SHOOT•N•C targets and a 24" x 24" weatherproof plastic corrugated backboard. The Portable Shooting Range — for rifles, pistols and shotguns — is constructed from heavy-duty welded steel, yet it's lightweight and simple to set up with no adjustments needed. It even has a footrest for pushing it into the ground and to prevent it from turning in the wind. Perfect for self-adhesive SHOOT•N•C targets and taped or stapled paper targets. For replacement corrugated boards, use both supports for 24" or wider sheets and one support for narrower sheets. Arms pinch the corrugated for a firm hold; use with the flutes horizontal for easiest lateral adjustment and rigidity when shooting. The durable, black powder coat finish resists rust and you get a lifetime frame guarantee.

## Gallery™ Resetting Targets

### .22 Rimfire and Airgun

Get the hottest new targets for plinking enthusiasts! Extremely convenient, you'll experience hours of shooting fun with your .22 rimfire or airgun, without having to walk down range or pull chords to reset. Simply hit all four hanging targets and then shoot at the resetting target and all four hanging targets drop back down for another round of shooting fun. And, with no assembly, parts or tools required, these targets set-up fast and are easily stored. Both solid steel targets feature twist designed paddles with no welds to break and come with a lifetime guarantee from breakage! Airgun version requires a moderately powerful airgun (approximately 500 feet per second or faster) with lead pellets only to operate effectively.

# World of Targets™

## Single Mag™ Spinner Target

The SINGLE MAG Spinner Target is a popular, one disc spinning target for the “big bore” pistol shooters. A single, easy to hit 4 1/4" circle offers that extra spinning action when hit. Less expensive than a two disc target, the action is just as exciting.

46144 SMC44 Centerfire handguns up to .44 Magnum

## Double Mag™ Spinner Target

The DOUBLE MAG Spinner Target is a popular, two disc spinning target for the “big bore” pistol shooters. You choose between the challenging 3" and easier 4 1/4" circle for action you can see and hear when hit. Both magnum targets use 3/8" thick steel.

46244 DMC44 Centerfire handguns up to .44 Magnum

## Super Mag™ Spinner Target

The SUPER MAG Spinner Target is the answer for an easier-to-hit target and for longer range practice. Constructed like the standard DOUBLE MAG but with 50% larger circles! Each disc measures 4 1/4" and 6" across and uses the same 3/8" thick steel.

46344 SDM44 Centerfire handguns up to .44 Magnum

## Qualifier™ Spinner Target

The QUALIFIER Spinner Target is a popular three disc spinning target for members of the .22 rimfire club. The three different sizes: 3 5/8", 2 1/4" and 1 5/8" circles, will challenge the marksman, sharpshooter or expert in all of us. Improve your shooting skills!

46322 QTA22 .22 rimfire rifles, handguns and airguns

## Qualifier™ Airgun Target

The QUALIFIER Airgun Target is a lighter weight version of the .22 rimfire rated QUALIFIER Target. Made from 1/8" thick steel, this target features a twist design for unbreakable strength. The 3 5/8", 2 1/4", 1 5/8" circles provide exciting practice for airgun rifles as well as airgun handguns. Designed for use with lead pellets only, the QUALIFIER Airgun Target allows you to shoot almost anywhere. Great for target shooters of all ages!

46317 QTA17 .177, .20, .22 & .25 Caliber Airguns

## Sharpshooter™ Spinner Target

The SHARPSHOOTER Spinner Target is the all around pick for the active .22 rimfire shooter. Your choice between the challenging 2 1/4" and easier 3 5/8" circle with every shot. Shoot long range or short range, top or the bottom.

46221 SDA22 .22 rimfire rifles, handguns & airguns

## Duplex™ Spinner Target

The DUPLEX Spinner Target is for fans of the .22 rimfire who like a lot of action. With two independent spinners featuring 3 5/8", 2 1/4" and 1 5/8" circles, this target offers it all! Shoot side-by-side with a friend for action you can see and hear.

46422 DQA22 .22 rimfire rifles, handguns & airguns

## WORLD OF TARGETS Specifications

Each target is a solid 3/16" thick (3/8" on the magnums) hung from a durable, welded steel frame to provide years of trouble-free practice. All targets include high visibility Target Spots®. The targets' exclusive Shatterproof Finish is not paint, but instead uses our own Presto Black® steel blackening process to provide a finish that will not chip or flake off. Portable and easy-to-use spinning targets mean no more knocked down targets to set-up. A foot rest makes it easy to push targets into the hardest ground.

The Rimfire Spinners are designed for .22 rimfire cartridges using only soft-nosed bullets. Minimum target distance for shooters and spectators is 25 yards. Do not use .22 rimfire magnums, centerfire handguns, centerfire rifles, blackpowder or BB guns on this target.

The Magnum Spinners are designed for centerfire handgun cartridges up to .44 magnum using only soft-nosed bullets. Minimum target distance for shooters and spectators is 25 yards. Do not use centerfire rifles, .22 rimfire, blackpowder or pellet/BB guns on these targets.

# World of Targets®

## Official NRA Chicken, Boar, Turkey, & Ram, Silhouette Targets (1/5 Scale)

Portable and easy-to-use swinging metallic silhouette targets eliminate the time and trouble of setting up downed targets after each shot! A foot rest makes it easy to push into the hardest ground while its elevated position offers maximum visibility even in tall grass or uneven terrain.

## WORLD OF TARGETS Specifications

Each target is a solid 1/4" thick, hung from a durable welded steel frame to provide years of trouble-free practice. A foot rest makes it easy to push targets into the hardest ground. Stand up targets feature a flat and square welded base. The targets' exclusive Shatterproof Finish is not paint, but instead uses our own Presto Black® steel blackening process to provide a finish that will not chip or flake off.

All 1/5 scale targets conform to NRA specifications for .22 rimfire shooting. Suggested distances are: Ram 100 meters (110 yards), Turkey 77 meters (85 yards), Boar 60 meters (66 yards) and Chicken 40 meters (44 yards). These Metallic Silhouettes are designed for .22 rimfire cartridges using only soft-nosed bullets. Minimum target distance for shooters and spectators is 25 yards. Do not use .22 rimfire magnums, centerfire handguns, centerfire rifles, blackpowder or BB guns on these targets.
