THE ROSSI YOUTH LINE

MODEL S2022243RS
YOUTH SIZE MATCHED SET IN .243 REM., 20 GAUGE AND .22 L.R.

Rossi offers the only full family of youth-sized single shot long guns for your favorite young hunter or shooter. Our industry leading Matched Sets, Matched Pairs, Miniloaders, Rifles and Shotguns are also available in a variety of calibers and gauges. These firearms incorporate a transfer bar mechanism and a manual safety on a single shot, break-open design. The breech cannot be closed or opened if the hammer is cocked. Add that to the safety inherent in single shot long guns and you have the perfect shooting platform for training. Our patented trigger block is included at no extra charge for safer storage. All of these are designed with the new shooter in mind from the smaller stocks to the shorter barrels without compromising on features. All Rossi rifle barrels are button rifled for extreme accuracy. Many models include a carrying case and sling. Pick one of these youth-sized models today for that young person in your life and pass the tradition along.

FREE One-year NRA Junior Membership with the purchase of any New Rossi Youth Model.

See us at www.rossiusa.com for details.

Children should only shoot or handle firearms when a responsible adult is present. Children should never handle or shoot firearms unsupervised.

TAURUS SECURITY SYSTEM™

New production Rossi Long Guns now feature the Taurus Security System at no extra charge. Simply put the key in the lock on the hammer, turn and the firearm is locked.

Each firearm comes with 2 keys.

All Rossi firearms are shipped with the Taurus Security System OR our patented trigger block system to help ensure safe storage of your firearm.

Firearm safety is everyone's responsibility.

For information about a FREE trigger lock for your Rossi, or replacing a cable lock previously received from BrazTech, phone us at 305-474-0401 or visit us on the internet at www.rossiusa.com.

ROSSI TRIGGER BLOCK

The Rossi trigger block is designed to precisely fit your Rossi long gun as an aid to safe storage.

There is no substitute for safe gun handling.

EXTEND THE HUNT WITH THE ROSSI RIFLED SLUG GUN

Many states offer an extended season specifically for slug gun hunters. Now you can join that hunt in quality and style with the latest addition to the Rossi single shot long gun line...the fully rifled 12 and 20 gauge slug guns.

These large bore rifles are button rifled for extreme accuracy and equipped with factory porting to help control the felt recoil of the slug round. This porting has virtually no effect on muzzle velocity and is placed to prevent any adverse effect on the front sight.

The button rifled barrel is equipped with the highest quality fiber optic sights from the factory. The 12 gauge has a raised rail for installation of the included scope mount base and the 20 has our standard drilled and tapped holes. The slug gun also incorporates all the same safety features inherent on Rossi long guns and comes with a free Patented Rossi trigger block and lock for safe storage.

Pick up a Rossi Rifled Slug Gun and stay in the hunt.

MODEL S121230S
12 GAUGE RIFLED SLUG GUN

SLUG GUN/MUZZLELOADER MATCHED PAIR.
12 GAUGE RIFLED SLUG BARREL AND
.50 CALIBER INLINE MUZZLELOADER.

MUZZLELOADERS

IS THAT OUR RAMROD IN YOUR FOREND?

The Rossi Muzzleloader is a .50 caliber inline rifle built to take advantage of new hunting technologies while keeping with the tradition of muzzleloading. This Rossi is designed for use with Pyrodex pellets, solid copper sabot bullets and 209 shotgun primers.

This combination gives the shooter the best of both worlds - the old style feel of a muzzleloader and the reliability, accuracy and convenience of modern powder, primer and bullet technologies. To make every shot as good as it can get, Rossi includes at no extra cost to you, the highest quality fiber optic sights, a collapsible brass ram rod and a solid steel breech plug wrench.

Our custom made ram rod neatly tucks into the forend when not in use and is fitted with a 10/32" fitting so that you can use virtually all industry loading, clearing and cleaning tips that are available.

The solid steel breech plug wrench, designed specifically for the Rossi line of muzzleloaders, allows quick removal of the breech plug for ease in cleaning. Add these features to the button rifled barrel and you have a proven, accurate hunter.

The Rossi Muzzleloader offers the best of black powder shooting and the most innovative new firearm technology. Pick one up and experience the future of tradition today.

S50BM
 .50 CALIBER MUZZLELOADING RIFLE
 MATTE BLUE STEEL

The ramrod has a standard 10/32" threaded tip to handle most attachments.

The Rossi Muzzleloading Rifle features a fully removable breech plug for safety and convenience, complete with free wrench for easy removal. The breech plug holds the 209 shotgun primer used to ignite the charge.

The manual safety prevents the hammer from striking the transfer bar mechanism.

All Rossi rifle and muzzleloader barrels are drilled and tapped to hold our optional Scope Mount Base and Hammer Extension (see accessories page.)

MINILOADER™

YOUTH-SIZE IN .45 OR .50 CALIBER

Rossi offers a youth sized MiniLoader™ muzzleloading rifle available in either .45 or .50 caliber. The MiniLoader™ is a full featured version of the larger size Rossi inline muzzleloading rifles, but scaled down for the smaller shooter.

Rossi MiniLoader barrels are button rifled for extreme accuracy, featuring fiber optic sights and are drilled and tapped to accept the included Rossi scope mount base. The excellent fit and alignment of the Monte Carlo Stock is designed so that the shooter can use either the fiber optic sights or scope with virtually no adjustments.

Rossi's resilient recoil pad assures a softer recoil sensation for the new shooter.

S50YSM
.50 CALIBER MINILOADER
YOUTH SIZE - MATTE STAINLESS STEEL

S45YBM
.45 CALIBER MINILOADER
YOUTH SIZE - BLUE STEEL

All Rossi firearms incorporate three safety features - a transfer bar mechanism, a manual safety and a single shot, break-open design with our breech lock system that prevents the action from being closed or opened if the hammer is cocked. Add that to the safety inherent in single shot long guns and you have the perfect shooting platform for training.

ONBOARD LOCKING SYSTEM

New production Rossi Long Guns now feature the Taurus Security System at no extra charge. Simply put the key in the lock on the hammer, turn and the firearm is locked. Each firearm comes with 2 keys.

FREE One-year NRA Junior Membership with the purchase of any New Rossi Youth Model.

All Rossi Muzzleloading Rifles have a receiver that can be fitted with a centerfire or rimfire cartridge barrel. Therefore, it is a firearm. All regulations governing the sale, shipment and transfer of firearms must be followed, including, but not limited to use of Form 4473 by Licensed Dealers and the use of Licensed Dealers for shipment.

MUZZLELOADER PLUS 1

MUZZLELOADER MATCHED PAIRS™

.50 CALIBER MUZZLELOADING RIFLE WITH .243 RIFLE BARREL.

S243-50M

The Rossi Muzzleloading Matched Pair has all of the features of the standard inline muzzleloader plus your choice of either a 20 gauge shotgun barrel, .243 Win. rifle barrel or our new 12 gauge rifled slug barrel. The button rifled .243 barrel comes equipped with adjustable sights and is drilled and tapped. The Rossi rifle barrel has a positive extractor which assists in the removal of the shell every time. The 20 gauge modified choke shotgun barrel has a bead front sight and the same style of positive ejection found in all of the Rossi single shot shotguns. The new 12 gauge slug barrel is fully rifled and ported to reduce felt recoil and is equipped with adjustable fiber optic sights.

.50 CALIBER MUZZLELOADING RIFLE WITH 12 GAUGE RIFLED SLUG BARREL

S12-50M

Both additional barrels for the Matched Pairs come with a separate forend with its respective barrel and a custom carry case with a dual purpose strap. This strap is easily removed from the carry case and serves as the perfect sling for all Rossi rifles. The Rossi Muzzleloading Matched Pair offers the best of black powder shooting combined with the most popular rifle cartridge or shotgun gauge - in one handy package.

The manual safety prevents the hammer from striking the transfer bar mechanism.

All Rossi rifle and muzzleloader barrels are drilled and tapped to hold our optional Scope Mount Base and Hammer Extension (see accessories page.)

Factory porting and fiber optic front sight.

MUZZLELOADER PLUS 2

MUZZLELOADER MATCHED SETS™

Rimfire...Centerfire...Muzzleloader...Shotgun? Can't choose? Well, there is no longer a need to pick just one. Look at these Matched Set offerings! In a full size configuration we take one of our full featured muzzleloading rifles and match this up with our popular .17 HMR and .270 Win. barrels.

Due to popular demand, we took the same muzzleloading rifle and fit our most popular .243 Win. and 12 gauge barrels to make the perfect hunting kit..

All rifle and muzzleloader barrels are drilled and tapped to accept the included scope mount base. That's right - 3 barrels! With this Matched Set, you have the choice of all 3 rifle types in 1 compact package.

Not leaving, but loving the smaller shooter, we now have the new Rossi Miniloader rifle fit with two of our most popular rifle and shotgun barrels.

The .50 caliber Miniloader is fitted with our top selling .22 LR rifle barrel and 20 gauge shotgun barrel. The .45 caliber Miniloader sports our .22 LR rifle barrel and a .410 shotgun barrel. Each rifle barrel is button rifled for maximum accuracy and offers adjustable sights as standard equipment. The shotgun barrels all feature a modified choke, bead front sight and positive ejector. Every Rossi Muzzleloader Matched Set incorporates the transfer bar technology for added safety as well as manual safety on the receiver.

In addition, all Rossi rifles include our breech lock system that prevents the action from closing when the hammer is cocked.

The Rossi Matched Set is simply the best pack gun ever put together.

ROSSI MATCHED PAIR

ONE SCREW, ONE MINUTE, NO TOOLS

The Rossi Matched Pair has set the standard for 2-barrel guns. This combination long gun package is unequalled, having been recognized as the best "youth-size" gun and a top notch "full size" backpack take-along. We start with one of our popular single shot rifles, then hand fit a shotgun barrel to create the Matched Pair.

The result is a highly reliable rifle with adjustable sights and a button rifled barrel for enhanced accuracy, that quickly swaps barrels to become your favorite shotgun. This makes the Matched Pair the perfect gun for hunting or a fun day at the range.

MODEL S20-250YMB
YOUTH SIZE MATCHED PAIR IN 20 GAUGE AND .22-250

All Matched Pairs come with fine Brazilian hard wood stocks and forends, which are hand-machined to precisely fit each gun.

Available combinations are listed below and on the right.

ONBOARD LOCKING SYSTEM

New production Rossi Long Guns now feature the Taurus Security System at no extra charge. Simply put the key in the lock on the hammer, turn and the firearm is locked. Each firearm comes with 2 keys.

CHANGE BARRELS FASTER THAN YOU CAN CHANGE YOUR MIND.

To change barrels, make sure the firearm is unloaded. Loosen the front swivel and remove the forend and swivel. Open the action and the barrel will come out easily. Put the other barrel in, replace the forend, tighten the swivel and you are done and ready to shoot. One screw, one minute, no tools...no kidding!

SINGLE SHOT RIFLES

BECAUSE ONE SHOT IS ALL IT TAKES

In 2005 we introduced our heavy barrel Single Shot Rifle in .223 Rem. and .243 Win. For 2006, we have gone further and incorporated a recessed muzzle crown for accuracy and added the popular 22-250 Rem. Each of these rifles is equipped with a scope rail and hammer extension that accommodates all popular optics. The new heavy barrel models are button rifled for extreme accuracy.

These varmint rifles along with their standard profile counterparts all feature hand fitted wood stocks equipped with Rossi's soft recoil pad and distinctive white line spacer, button rifled barrels, adjustable sights and sling swivels. Centerfire models have an extra wide positive action extractor to ensure easy removal of the spent case when you open the breech, while the rimfire models carry a powerful ejector that kicks the spent or unfired shell clear every time.

These rifles combine 3 safety systems to make them as safe and enjoyable as possible.

The Rossi single shot rifle incorporates a transfer bar mechanism which stops the hammer from striking the firing pin unless the hammer has been cocked and the trigger has been pulled completely rearward. This helps prevent accidental firing from drops or impact. All Rossi rifles incorporate our breech lock system, which prevents the action from being opened or closed when the hammer is cocked, along with our manual hammer block safety.

All Rossi long guns are shipped with our patented trigger block system to help ensure safe storage of your firearm.

Over 100 years of firearms design has taught us that safety comes first and foremost.

Extra wide positive action extractor or ejector ensures easy centerfire case removal and complete rimfire ejection.

ROSSI REVOLVERS

LIMITED PRODUCTION • UNLIMITED QUALITY

Rossi offers revolvers in both long and short barrel lengths.

These handguns are of the same quality and reliability that have been part of the Rossi name for the last century. Rossi revolvers are available in either a rich, dark blue carbon steel, or highly polished stainless steel.

The Rossi 4 and 6 inch revolvers all feature adjustable rear sights and red inserts on the elevated front sight for easier aim. Each revolver incorporates the patented Taurus Security System in conjunction with Rossi's Lifetime Repair Policy - a better revolver at a better price is hard to find.

In .357 Magnum, Rossi has two long barrel offerings - Model 971, a Blue Steel 4 inch barrel and Model 972, featuring a Stainless Steel 6 inch barrel.

There is also the Model 851, a .38 Special in Blue Steel with a 4 inch barrel and 6 round capacity.

Like their shorter barreled companions, these revolvers are rated for .38 Special Standard and .38 Special +P ammunition.

MODEL R971
.357 MAGNUM
6-SHOT

MODEL R851
.38 SPECIAL+P
6-SHOT

MODEL R972
.357 MAGNUM
6-SHOT

Rossi revolvers are crafted the preferred way, from forgings of solid steel. As a result, these revolvers will routinely fire powerful +P rounds for the lifetime of your revolver. The grips all have deep, contoured finger grooves for a solid grasp on the firearm and maximum shooting comfort.

ROSSI REVOLVERS

LIMITED PRODUCTION • UNLIMITED QUALITY

Rossi offers two small frame, 5 shot revolvers chambered in .38 Special; the Model 351 in Blue Steel and the Model 352 in Stainless Steel. Two inch barrels make them favorites for concealed carry and home defense, especially when loaded to their full potential.

Rossi's 6 round revolvers in the well-respected .357 caliber are the Model 461 Blue Steel and the Model 462 Stainless Steel. Two inch barrels make them the right size for personal protection. While they're built extra tough to handle all .357 Magnum cartridges, they will fire the popular .38 Special Standard and .38 Special +P rounds as well.

Rossi small frame revolvers feature molded soft rubber grips with generous finger grooves for a sure grip and a serrated ramp front sight for easy aim.

SINGLE BARREL SHOTGUNS

BE A SINGLE SHOT HERO

Rossi shotguns use the timeless single-shot break-open breech design updated with the most modern safety features. These shotguns include a spur hammer, transfer bar action and an integral linkage system that prevents the action from opening or closing when the hammer is cocked.

The safety functions are perfect for beginners, especially the smaller and lighter youth models which feature a shortened stock and barrel.

Each is a reliable, light-weight gun easily carried throughout an entire day in the field.

Wide, powerful ejectors eliminate lost time removing spent hulls or unfired shells without compromising safety. Perfect fit, combined with beautiful wood and deeply finished metal make these firearms keepsake gifts for a beginning shooter, or perhaps a great present for yourself.

Rossi shotguns are available in 12 and 20 gauge models weighing just over five pounds, and a four pound .410 bore all accepting either 2-3/4 inch or 3 inch shells - Standard or Magnum. The .410 and the 20 gauge are offered in even lighter youth models scaled down to fit young shooters.

ALL ROSSI SHOTGUNS FEATURE:

- Brass Bead Front Sight
- Satin, Oil Finished Exotic Hardwoods
- Stock with Pistol Grip
- Sling Swivels Installed
- Ambidextrous Operation
- Low Profile Serrated Hammer
- All Models Accept 2-3/4 inch or 3 inch Standard or Magnum Shells
- Lightweight, solid construction for easy carry all day in the field
