

RUGER®

Sportswear & Accessories

Dear Valued Ruger® Customer:

Our third Sportswear & Accessories catalog features many exciting new items that proudly display the famous Ruger logo, designed by our Company's co-founder, Alexander M. Sturm, in 1949. Handsome and distinctive, our symbol adorns all these quality offerings, the vast majority of which are "Made in America," just like our fine Ruger firearms.

Just a few of these new American-made products include:

- A large variety of Case® Knives, including new Lightweight Hunter models (found on page 9).
- A fine new Ruger shooting vest for shotgun enthusiasts (page 18).
- A handsome and useful line of leather and nylon holsters, including previously hard-to-find holsters for our New Bearcat® and new Super Redhawk Alaskan™ revolvers (pages 17 & 19).

I've seen Ruger logowear being worn by enthusiasts in locations around the globe, from New Zealand to Germany, and many points in between! Ruger logowear marks their wearers as fellow shooters who appreciate the rugged reliability of Ruger firearms, and who also reflect Bill Ruger's legacy of integrity and individual responsibility.

We keep adding so many items to our line that published catalogs like this cannot hope to keep pace with all of our latest offerings. To view those, please check our website frequently. It is located at www.ruger.com, and it's a great way to keep up to date with the latest news from Sturm, Ruger and our newest firearms and related accessories.

Any ideas or suggestions you have for other items you'd like to see with the Ruger name or logo should be sent to our Marketing Department at 1 Lacey Place, Southport, CT 06890. If we decide to use your suggestion, we'll make sure you get one of the first such accessories from us. (Sorry, this doesn't include firearms!)

Many thanks for your loyalty and support. Please help keep sport shooting one of the safest and most enjoyable recreational activities.

Sincerely,
STURM, RUGER & COMPANY, INC.

These beautiful Case folding knives feature Tru-Sharp™ Surgical Steel blades and attractive red G-10 handles. The G-10 material used in these quality Case folding knives offers exceptional strength, durability and beauty. G-10 is comprised of layers of glass cloth that is laminated with epoxy resin. Because G-10 is waterproof, it resists warping and cracking when exposed to the elements – making it the perfect choice for outdoor use!

The Lightweight Fixed-blade Hunting knives feature stainless steel blades and unique, red Santoprene® handles. The soft Santoprene material and molded checkering of the handles provide a non-slip grip, and the red color is both attractive and easy to find if dropped in the woods!

Trapper knife with burnt honey bone handle, has two 3-1/4" surgical steel blades.

Packaged in a Collectible Ruger Red Barn gift tin.

X = Model rings shipped with firearm. X = Alternate size and configuration rings available for your firearms. All rings are for 1" tube diameter scopes EXCEPT those marked 30mm tube diameter scopes.

*Offset Rings feature one or two rings (single, double) that are offset to the rear by 1/2 inch to allow rearward positioning of the scope.

NOTE: Different ring heights are available to ensure needed clearance between the scope and barrel. Scope cap covers, barrel contours and objective diameters can affect height requirements.
