# SHOOTING REST

## DELUXE RIFLE REST

Constructed of nothing less than rigid, tubular steel, you'll appreciate this shoulder-saver. The micro adjustable windage and elevation adjustments assure precise shots. The butt stock cradle drastically reduces felt recoil and it collapses without tools for easy storage. Next time you sight in, you'll be spot on.

40804 Deluxe Rifle Rest

# ST

Expert shooters everywhere have been using these outstanding shooting rests. These durable rests save your shoulder when sighting in your rifle and feature easy-to-use windage and elevation adjustment knobs.

## SHOOTING REST WITH GUN VISE

Accomplished hunters and shooters know how important it is to have a steady rest. This rest features full 360° rotation and allows quick major and minor elevation adjustments, making it very effective for use on varmints. Take the rest home after the hunt, and you have an excellent vise to clean your gun.

40873 Shooting Rest With Gun Vise

## HANDGUN REST

This handgun rest is as solid as they come. Its precise elevation adjustment capabilities and leather hand rest all but guarantee you'll find your mark. And the rigid steel construction guarantees it will be on the range with you for years to come.
