NORTH AMERICAN ARMS

CONVENIENT.

N A A G U A R D I A N 3 8 0 & 3 2 N A A

Actual Size
Shown

The NAA Guardian 380 is North American Arms' 6+1 double-action-only pistol chambered in 380 caliber. Weighing less than 19 oz. this semi-automatic is designed for convenient concealed carry and greater effectiveness for personal protection.

The Guardian 380 is manufactured in partnership with Kahr Arms, utilizing the same materials and hand-crafted workmanship, you have come to expect with NAA.

The 32NAA, almost identical to the 380, uses a Cor-Bon cartridge, based on a 380 case, which is necked-down to hold a 32 caliber bullet. The benefit is a remarkable gain in ballistic performance. The load delivers in excess of 1222 f.p.s. velocity to a 60 grain bullet from Hornady.

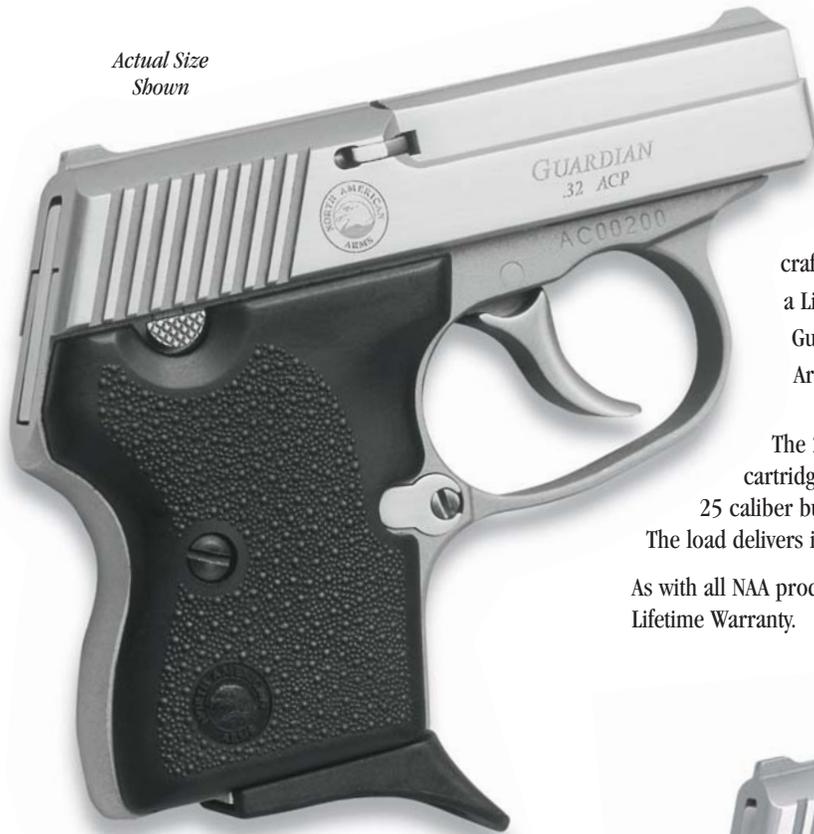

As with all NAA products, the Guardian 380 & 32NAA comes with NAA's Lifetime Warranty.

Model #:	NAA Guardian 380
Caliber:	380 ACP / 9mm Kurtz
Model #:	NAA - 32NAA
Caliber:	32NAA
Magazine Capacity:	6
Length:	4.75" / 120.65 mm
Height:	3.53" / 89.66 mm
Width:	.930" / 23.62 mm
Weight:	Empty 18.72oz. / .530 kg. Loaded 20.80 oz. / .590 kg.
Barrel Length:	2.49" / 63.12 mm
Sights:	Low profile fixed
Rifling:	1 in 15 inches
Trigger Pull:	Right-hand, 6 Groove 10 lbs. average

N A A G U A R D I A N 3 2 & 2 5 N A A

Actual Size
Shown

The NAA Guardian 32 is North American Arms' smaller double-action-only pocket sized pistol. Chambered in 32 ACP and weighing less than 14 oz., this 6+1 shot auto-loader is designed for convenient concealed carry and effective personal protection.

The Guardian is made with the same materials and hand-crafted workmanship as all our products, and similarly is covered by a Lifetime Warranty. Discriminating individuals will recognize the Guardian as not only the "flagship" piece from North American Arms, but also an entirely new industry standard.

The 25NAA, almost identical to the Guardian 32, uses a Cor-Bon cartridge, based on a 32 case, which is necked-down to hold a 25 caliber bullet. The benefit is a remarkable gain in ballistic performance. The load delivers in excess of 1200 f.p.s. velocity to a 35 grain bullet from Hornady.

As with all NAA products, the Guardian 32 & 25NAA comes with NAA's Lifetime Warranty.

Model #: NAA Guardian 32

Caliber: 32 ACP 7.65 Browning

Model #: NAA - 25NAA

Caliber: 25NAA

Magazine Capacity: 6

Length: 4.36" / 110.74 mm

Height: 3.32 / 82.04 mm

Width: .850" / 21.59 mm

Weight: Empty 13.57oz. / .3865 kg.

Loaded 14.86 oz. / .420 kg.

Barrel Length: 2.185" / 55.5 mm

Sights: Low profile fixed

Rifling: 1 in 15 inches

Right-hand, 6 Groove

Trigger Pull: 10 lbs. average

The NAA 22 Short is the world's smallest and lightest five shot Mini-Revolver.

The computer quality design and machining guarantees that each 22 Short Mini-Revolver will meet North American Arms exacting specifications

The 22 Short is a favorite for those wanting the smallest self protection firearm possible.

Actual Size Shown

Model #:	NAA-22S
Weight:	4 oz.
Barrel Length:	1-1/8"
Overall Length:	3-5/8"
Overall Height:	2-3/8"
Overall Width:	13/16"

The NAA 22 Long Rifle is the most popular Mini-Revolver ever produced.

With every NAA Mini-Revolver, the hammer need not rest on an empty chamber. Using the safety-notched cylinder, the hammer may rest safely and securely without chance of accidental discharge.

The stability and ease of firing the Long Rifle, has made this gun popular with women.

Actual Size Shown

Model #:	NAA-22LR
Weight:	4.5 oz.

Barrel Length:	1-5/8"
Snub Available:	1-1/8"
Overall Length:	5-1/4"
Overall Height:	2-7/8"
Overall Width:	7/8"

The NAA 22 Magnum is the ultimate in up front, personal protection. As the only five shot 22 Magnum Mini-revolver available, it far outclasses the competition.

The 22 Magnum Mini-Revolver provides greater accuracy and the ability to shoot at farther distances for your greater confidence in protection.

For those who feel more comfortable with the larger grips and more powerful stopping power of the 22 Magnum, and still require minimum concealment, the NAA 22 Magnum would be your best choice.

In addition, all NAA 22 Magnum Mini-Revolver may be ordered with a conversion cylinder chambered for 22 Long Rifle.

RELIABLE

NAA 22 MINI-MASTER & NAA 22 BLACK WIDOW

The NAA 22 Mini-Master and NAA Black Widow evolved from the NAA 22 Magnum Frame series and includes the time tested design characteristics that are incorporated in all NAA Mini-Revolvers. The result is enhanced stability and accuracy for the more serious shooter.

The NAA Mini-Master is outfitted with a 4" heavy vent barrel, bull cylinder and either fixed Millet low profile sights or adjustable Millet sights for elevation.

Actual Size Shown

Model#: NAA-MMTM	
Weight:	10.7 oz.
Barrel Length:	4"
Overall Length:	7-7/8"

Barrel Length:	2"
Overall Length:	5-7/8"
Overall Height:	3-5/8"
Overall Width:	7/8"

The NAA 22 Black Widow is equipped with the same features as the NAA Mini-Master, but sports a 2" heavy vent barrel.

Both the Mini-Master and NAA Black Widow are available in either 22 LR or 22 Magnum or may be ordered as a conversion utilizing both the 22 LR and 22 Magnum cylinders.

NAA COMPANION (CAP & BALL)

The NAA 22 Companion is a percussion (cap & ball) 22 caliber five shot Mini-Revolver. Engineered by the legendary gun designer, Dick Casull, the Companion can be complimented with all of North American Arms' accessories.

The Magnum or Long Rifle frame sizes, uses standard #11 percussion caps, and as an antique replica, is exempt from most provisions of the Federal Gun Control Act.

The Companion is also protected by our Lifetime Warranty.

EFFECTIVE!

NAA HOLSTER GRIP & COLLECTOR SETS

The Patented NAA Holster Grip is an excellent accessory for the NAA Mini-Revolvers. The Mini-Revolver snugly fits into the Holster Grip, unfolds and locks to become the handle of the gun. By depressing the release button, the Mini-Revolver folds back into the Holster Grip.

The Holster Grip gives the shooter better control, and when folded it provides an additional safety feature. When folded the trigger of the gun is completely enclosed making it virtually impossible for the gun to be fired. The clip allows the Holster Grip to be carried on a belt.

Model #: NAA-HG-LR
 Holster Grip is made of High Impact Polymer.
 Fits NAA 22 Long Rifle Frame Mini-Revolvers only.

Actual Size Shown

Model #: NAA-HG-MS
 Holster Grip Belt Clip is designed for both right & left handed carry.
 Fits all NAA 22 Magnum Frame Mini-Revolvers.

NAA-DLX

NAA-22MC-C

The NAA Collector Set is the perfect gift for the discriminant gun collector. NAA is proud to offer these fine custom crafted sets, which are sure to please any recipient. SAFETY FEATURES

North American Arms Mini-Revolvers are equipped with a unique safety giving its owner maximum protection against accidental discharge.

The North American Arms Safety Cylinder feature allows the gun to be carried fully loaded. There are half-way notches between the chambers. The hammer is lowered into one of these notches after the gun is loaded. When the hammer is pulled back to the firing position the cylinder rotates to the next chamber.

NOTE: The traditional half-cock position is to be used for loading and unloading only. *(The hammer should never rest in the half-cock position over a live cartridge, or on the rim of a live cartridge.)*

If you should have an older model NAA Mini-Revolver or know someone who does, please check to see if it is equipped with the NAA Safety Cylinder; if not please call our Customer Service Hot-Line and see how you can have this cylinder installed at no charge. (1-800-821-5783)

All NAA Mini-Revolvers, Mini-Master, Black Widow and Guardian firearms, come with a Lifetime Warranty for the original registered owner.

These handguns have been manufactured from the highest quality, rust resistant stainless steel, in the United States. NAA buys American!
