

Carl Zeiss Sports Optics

SCOPZ™ Sporting Glasses ... The most accurate shooting instrument you can buy without a license

Due to high consumer demand, Carl Zeiss Sports Optics announces the re-introduction of its popular SCOPZ™ Sporting Glasses. SCOPZ™ are designed to help you see the target more clearly, sharply and quickly than ever before. SCOPZ™ Glasses by Zeiss feature: polycarbonate lenses, comfortable cable temples, adjustable bridge, recoil resistant spring hinges, and soft silicon nose pads.

International Target Orange

*Brightens the target. Great for
low light conditions.*

Yellow

*Brightens view in early morning
haze and overcast skies*

Clear

Great all-purpose

Polarized Grey

Tames bright sunlight

Vermilion

*Performs best in low light conditions.
Sharpens contrast, brightens target*
