

# 2008 THE NEW F-SERIES SUPER DUTY® F-250/F-350/F-450 PICKUPS

F-450 LARIAT Crew Cab 4x4 in Black with available equipment

## TOUGH MOVES MOUNTAINS

Since the concept of heavy-duty trucks took shape at Ford, F-Series Super Duty pickups have had one mission: to be the toughest, most capable pickups in the nation. So every vehicle system is designed toward the goal of effortlessly hauling the biggest payloads and towing the heaviest trailers, while maintaining optimum control of those huge loads. And now, the mighty new F-450 pickup is the most capable Super Duty of them all.

**Record-Breaker: New F-450** Best-in-class\* 5th-wheel towing up to 24,500 lbs.\*\* • Best conventional towing up to 16,000 lbs.\*\* • Best maximum payload up to 6120 lbs.\*\*

\*Class is Full-size Pickups over 8500 lbs. and up to 16,000 lbs. GVWR. \*\*Maximum capability when properly equipped. See your Ford Dealer for specific equipment requirements and other limitations. Vehicles throughout this document may be shown with optional and aftermarket equipment.

### All-New Tailgate Step

This class-exclusive\* option is stowed right in the tailgate. Just flip up the grab bar, flip down the step, and climb up into the box.

## TOUGH BREAKS NEW GROUND

F-Series Super Duty pickups are like king-size tool boxes with all the basics included, and you add the tools that work for you. For 2008, you can choose some innovative new items you won't find on any other pickup. Plus, there's a long list of rugged features that have always made Super Duty trucks work harder. American innovation provides the best tools for the job, and delivers the Super Duty that always suits your needs.

### New PowerScope™ Trailer Tow Mirrors

Available exclusively on Super Duty, these optional large mirrors adjust, fold and telescope almost 3" on each side of the truck at the touch of a switch. They include heated glass, integrated turn signals and clearance lamps.

### New Class-Exclusive Stowable Bed Extender

This optional 21"-tall barrier lets you haul with the tailgate down, or secure smaller loads with the tailgate up. Made of rugged fiberglass-filled polypropylene, it's corrosion resistant, and folds out of the way when not in use.

\*Class is Full-size Pickups over 8500 lbs. and up to 16,000 lbs. GVWR.

FX4 Crew Cab with optional leather-trimmed captain's chairs, center console and other equipment

## TOUGH LIVES LARGE

A bold, new interior design picks up where the muscular exterior leaves off. Gear rings around the air vents, and rugged panel stampings mark a hardworking, hard-hat theme. Smart storage is everywhere. A standard dash-top tray is a handy place to keep a notepad, and the available center console is deep enough to hold a laptop. The cabin is constructed from quality materials that are as comfortable as they are durable, and this giant leap in refinement pays big dividends for the driver and passengers alike.

### Interior Upgrades

Above the large, well-organized center stack, a dash-top tray keeps frequently used items close at hand. An optional DVD-based Navigation System can map routes anywhere in the U.S. or Canada, and guide you with audible instructions. It also includes the Audiophile® Sound System with MP3 capability. A redesigned heating and air conditioning system has a more balanced airflow for quick defrosting and all-around cabin comfort. Dual-zone Electronic Automatic Temperature Control is standard on LARIAT. A new Rapid-Heat Supplemental Cab Heater is available on diesel trucks equipped with the TorqShift® transmission. It quickly and automatically helps raise the cabin temperature to a comfortable level.

### New MP3 Capability and Auxiliary Input

Now, all CD audio systems are MP3-CD capable, and feature an auxiliary input jack for any compatible player.

Audiophile is a registered trademark of Audiophile, Inc.

## Dual Sequential Turbos

The high-pressure Electronic Variable Response Turbo (EVRT®) 1 spools up first to provide fast transient engine response. The low-pressure turbo 2 provides added airflow at peak power and torque.

# ALL-NEW 6.4L POWER STROKE® 32-VALVE V8 TURBO DIESEL

As the most powerful Ford pickup diesel engine ever, it pumps some serious iron. High-pressure common-rail fuel injection helps deliver 100% of its 650 lb.-ft. of torque (80 lb.-ft. more than 2007) at just 2000 rpm. It also optimizes fuel efficiency, cold-start capability, and helps to make this Power Stroke the quietest Ford truck diesel on the road. Here's the engine you'll want for all your heavy lifting.

350 hp @ 2000 rpm and 650 lb.-ft. of Torque @ 3500 rpm\*

- High-Pressure Common-Rail Fuel Injection • Micro-Precision Piezo-Electric Injectors • Quick Starts at -20° Fahrenheit
- 10 Million Equivalent Miles of Testing

## Cast-Iron Block, Heads & Bedplate

- A** This proven architecture stands up to the combustion forces of peak diesel operation, and helps dampen noise and vibration. A one-piece bedplate locks down the crankshaft, replacing traditional bearing caps.

## Bigger Crankshaft

- B** Producing massive diesel horsepower and torque requires strong, precise components. Power Stroke cranks are forged from micro-alloy steel and are machined to tolerances of .005 mm.

## Powder-Forged Connecting Rods

- C** This process delivers outstanding strength and dimensional accuracy for high durability and smooth performance.

## Oil-Jet Piston Cooling

- D** Big power makes big heat. Special galleries spray cooling jets of oil inside the pistons. This technology optimizes ring life for long-term durability, and helps reduce combustion temperatures for improved emissions.

\*Governed at 325 hp @ 3000 rpm and 600 lb.-ft. of torque @ 2000 rpm on F-450 with 6-speed manual, or on F-450 with automatic transmission and 4.88 rear axle.

# FORD **CLEAN DIESEL** **TECHNOLOGY™**

## COMPREHENSIVE COOLING

- 1 Fuel Heat Exchanger
- 2 Turbocharger Intercooler
- 3 Transmission Cooler
- 4 Larger Engine Radiator
- 5 Power Steering Cooler
- 6 Air Conditioning Condenser
- 7 Engine-Mounted Shroud

This new cooling system was actually designed for the F-550 Super Duty. The engine radiator is significantly larger, and the water pump's flow rate is nearly 50% greater. There are 6 different radiators – including one for the fuel cooling system – designed to support engine emissions and enhance durability, power and torque. An engine-mounted fan shroud improves airflow efficiency, resulting in an overall cooling system that is capable and reliable, especially under extreme towing.

## High-Pressure Common-Rail Fuel Injection

Fuel pressurized to 28,000 psi travels through a common rail and into state-of-the-art Piezo-electric Injectors. The system delivers multiple precision fuel injections for a smoother, cleaner burn, reduced engine clatter, superb cold-start capability and reduced emissions.

**Exhaust Gas Recirculation (EGR)** Designed for optimum durability, the EGR system pumps burned gases through 2 coolers to re-enter the air system at the high-torque EGR valve. These cooled gases, along with intercooled combustion air and oil-jet piston cooling, help lower combustion temperature. This helps limit the formation of nitrogen oxides (NOx).

## Diesel Oxidation Catalyst (DOC) and Diesel Particulate Filter (DPF)

Up front, the DOC reduces hydrocarbons in the exhaust and generates heat for the DPF. Next, the DPF traps particulates in its highly engineered silicon carbide wall-flow catalyst. The new system reduces particulate matter (soot) emissions by a factor of 10, bringing it to levels on par with a gasoline engine of similar size and power. The DOC/DPF is self-cleaning and self-diagnostic, automatically performing a regeneration/clean cycle when needed, without any driver input required.

## TOUGH PUTS YOU IN COMMAND

When you're on the road towing more than any other pickup, you need more than brute strength. TowCommand arms you with sophisticated technology to offer you optimum control. For the new 2008 Super Duty, the performance of the integrated Trailer Brake Controller (TBC) has been significantly improved, enabling stronger trailer brake activation when the Anti-lock Brake System (ABS) is operating. Tied directly into the truck's 4-wheel vented-disc ABS, the TBC delivers the balanced stopping power you need, right when you ask for it. TowCommand can smooth out the biggest towing challenges, and confidence is your reward.

### Complete TowCommand System

This optional factory-installed system is designed to help keep you in control of your Super Duty and trailer. TowCommand features the first fully integrated Trailer Brake Controller **A** in the class. The system incorporates ABS braking performance **B**, the TorqShift<sup>®</sup> automatic transmission with Tow/Haul Mode **C**, and telescoping trailer tow mirrors **D**. When activated, these components work together to make towing seem effortless. Now in service for its 4th model year, TowCommand is the most experienced factory-installed towing system you can get on a heavy-duty pickup.

### Standard Built Ford Tough<sup>®</sup> Hitch Receivers\*

12.5K-rated 2" come on F-250 and F-350 SRWs and F-350 5.4L DRW. 6.8L gas and 6.4L diesel F-350 DRWs step up to 15K-rated 2.5" F-450 carries the top 16K-rated 2.5" receiver.

### Standard Trailer Tow Electrical Connector\*

Includes 7-pin and 4-pin outlets with robust, hinged all-weather covers.

\*Drawbar and its accessories are not included.

F-350 FX4 Crew Cab in Black

F-450 LARIAT Crew Cab 4x4 in Black

F-250 XLT SPORT Crew Cab 4x4 in Red

## TOUGH CHOICES

While F-250 and F-350 cover a broad range of capabilities, F-450 Super Duty now gives you even more choice in fitting your truck to your tasks. Three hardworking model lines offer a clear separation of powers. So you can get the features you want with the capabilities you need. Nothing more, nothing less.

## MAXIMUM CAPABILITIES\*

**F-250** 16,400 lbs. 5th-Wheel Towing • 12,500 lbs. Conventional Towing • 3170 lbs. Payload • 23,000 lbs. GCWR • 10,000 lbs. GVWR • 6000 lbs. Front GAWR

**F-350** 18,700 lbs. 5th-Wheel Towing • 15,000 lbs. Conventional Towing • 5720 lbs. Payload • 26,000 lbs. GCWR • 13,000 lbs. GVWR • 6000 lbs. Front GAWR

**F-450** 24,500 lbs. New Record 5th-Wheel Towing • 16,000 lbs. New Record Conventional Towing • 6120 lbs. New Record Payload • 33,000 lbs. New Record GCWR • 14,500 lbs. New Record GVWR • 6500 lbs. New Record Front GAWR\*

## F-Series Super Duty Superiority\*

- Best-in-Class 5th-Wheel Towing
- Best-in-Class Conventional Towing
- Best-in-Class Payload
- Best-in-Class Gas Horsepower and Torque 6.8L Triton® V10 3-Valve with SEFI
- All-New 6.4L Power Stroke® 32-Valve V8 Turbo Diesel
- New Exclusive F-450 Pickup
- New Exclusive PowerScope™ Power-Telescoping/-Folding Trailer Tow Mirrors Option
- New Exclusive Tailgate Step Option
- New Exclusive Stowable Bed Extender Option
- New Exclusive Rapid-Heat Supplemental Cab Heater Option
- New Exclusive Quiet Steel® in Dash Panel
- Exclusive Standard Box-Rail Moldings
- Exclusive Upfitter Switches Option
- Exclusive Standard Built Ford Tough® Hitch Receivers on All Models
- Winner – 2007 Truck of Texas, Texas Auto Writers Association, F-250 Super Duty Crew Cab 4x4

\*When properly equipped. Class is Full-size Pickups over 8500 lbs. and up to 16,000 lbs. GVWR. See your Ford Dealer for specific equipment requirements and other limitations.

## XLT and XLT SPORT

F-350 XLT Crew Cab 4x4 in Dark Shadow Grey with available equipment

F-250 XLT SPORT Crew Cab 4x4 in Red with available equipment

## TWICE AS TOUGH

These 2 hardworking F-Series Super Duty pickups take all the great features of the rugged XL work truck and add just the right refinements. XLT takes comfort and convenience to the next level, while XLT SPORT is all that, plus an extra helping of style.

**Job Qualifications** Super Duty XLT is the ultimate power tool. A hefty list of standard features includes a premium AM/FM stereo with single-CD, MP3 capability and auxiliary audio input. For added style, choose the optional cloth luxury captain's chairs with center console (inset above). A chrome grille, chrome-steel bumpers and chrome-clad steel wheels dress up the exterior (polished forged-aluminum wheels on F-450).

**Mighty Fine** F-Series Super Duty commands attention and respect. And if you want to drive a pickup that'll make you proud whenever you spot it in a crowd, XLT SPORT is the one. It includes all XLT standard features, plus a long list of extras that make your truck stand out. If you want to go for the max, order optional heated, leather-trimmed captain's chairs and 20" forged polished-aluminum wheels.

XLT SPORT instrument panel with available equipment

FX4

FX4 Crew Cab with Medium Stone interior with optional Black leather trim and other equipment

## TOUGH DON'T NEED NO ROAD

When we say F-Series Super Duty is a go-anywhere truck, we aren't kidding. With standard 4-wheel drive, limited-slip rear differential, Rancho® branded shocks, plus transfer case and fuel tank skid plates, the new FX4 OFF-ROAD comes rigged with all the right gear for 4-wheeling. And when your adventure is done, you'll head for town in one of the most well-appointed, comfortable pickups on the road.

**Relax Inside** Optional leather-trimmed seating with contrasting stitching (above) looks extra sharp. You'll find it and other unique features only on FX4. There are lots of standard comforts too. Like driver and front-passenger seats with lumbar support, a tilt wheel with cruise control and a premium AM/FM stereo with single-CD, MP3 capability and auxiliary audio input. Upper and lower map pockets in the front doors provide generous storage. FX4 Crew Cab comes standard with a FlexFold™ rear seat (inset). Its many configurations and steel loadfloor set the standard for practical versatility. The FlexFold rear seat is standard on XLT and LARIAT Crew Cabs as well.

# LARIAT

F-350 DRW LARIAT Crew Cab 4x4 in Black with available equipment

## TOUGH REWARDS YOU

When you're able to tow and haul just about anything, just about anywhere – and you get to do it surrounded by leather-trimmed seats, power conveniences, and a premium sound system – every job is a job well done. Deserve more? Give yourself some personal space and practical storage: Optional front luxury captain's chairs have premium leather trim, and include a center console that can keep a laptop out of sight. Heated front seats are optional with the standard leather-trimmed seats as well.

**Remember This** Get the optional power-adjustable brake and accelerator pedals, then you can add an optional Driver Memory Package, with 2 memory settings for the driver seat, pedals and sideview mirrors. It's the ultimate in ease and comfort.

**KING RANCH®**

KING RANCH Crew Cab shown with optional equipment

## TOUGH OWNS THE RANGE

**Crafted Like a Custom Saddle** In Super Duty KING RANCH, you're surrounded by the finest accommodations. Chrome and woodgrain-style trim accent the spacious Crew Cab. A tilt steering wheel and a full complement of memory power accessories ensure your comfort. You and your guests sit in captain's chairs trimmed with rich Chaparral leather, which also adorns the steering wheel, center console lids and door panel armrests. A KING RANCH insignia on each seatback provides the finishing touch. The standard enhanced message center (right) can be set to English, Spanish or French.

## STANDARD FEATURES

### SAFETY/SECURITY

4-wheel power disc brakes with Anti-lock Brake System (ABS)  
 Airbags\* — Driver and right-front passenger  
 Alert chimes — Headlamps-on, key-in-ignition and door ajar  
 Belt-Minder® safety belt reminder  
 Brake/shift interlock (with automatic transmission)  
 Child-safety seat top tether anchors (Regular Cab front passenger and all rear seating positions)  
 Fuel pump inertia shutoff switch  
 Height-adjustable safety belts — Front outboard  
 Locking tailgate  
 Passenger airbag deactivation switch (Regular Cab, SuperCab)  
 Safety belt energy-management retractors — Front outboard positions  
 Side-intrusion door beams  
 Spare tire/wheel lock

### MECHANICAL

5.4L 3-valve SOHC Triton® V8 engine (F-250, F-350)  
 6.4L OHV 32-valve Power Stroke® V8 Turbo Diesel engine (F-450)  
 6-speed manual overdrive transmission  
 100,000-mile tune-up interval\*\* (gas engines)  
 Battery saver  
 Fail-safe engine cooling system (gas engines)  
 Fuel tank — 30.5-gallon capacity with 6<sup>3</sup>/<sub>4</sub> box, 38-gallon capacity with 8' box  
 Manual 4-wheel-drive system with manual locking hubs (4x4 models only)  
 Power steering  
 Quick-release tailgate with Tailgate Assist™  
 Spare tire/wheel/jack — Conventional with underframe carrier (crank-down type)  
 Stabilizer bar — Front  
 Stabilizer bar — Rear (DRW only)  
 Stainless steel exhaust system (major components)  
 Stationary Elevated Idle Control (SEIC)†  
 Steering damper  
 Styleside box

### INTERIOR

Assist and ride handles  
 Coat hooks — 1 (Regular Cab), 2 in rear of cab (SuperCab and Crew Cab)  
 Dome light (front and rear with Crew Cab)  
 Flip-open rear quarter windows (SuperCab)  
 Message center with odometer, trip odometer, engine-hour meter and warning messages  
 Power points — 2 on instrument panel (including lighter)  
 Steering wheel — Black urethane

### EXTERIOR

Bumpers — Front step and rear step  
 Cargo box lamp — Integrated with center high-mounted stop lamp  
 Cargo box — Partitionable and stackable  
 Cargo box rail and tailgate top moldings  
 Cargo box stake pockets  
 Cargo tie-down hooks — 4 in 6<sup>3</sup>/<sub>4</sub> box, 6 in 8' box  
 Solar-tinted glass  
 Tow hooks — 2 in front  
 Trailer hitch receiver — 12.5K (2") Built Ford Tough® (SRW/F-350 DRW 5.4L)  
 Trailer hitch receiver — 15K (2<sup>1</sup>/<sub>2</sub>") Built Ford Tough (F-350 DRW 6.8L/6.4L only)  
 Trailer hitch receiver — 16K (2<sup>1</sup>/<sub>2</sub>") Built Ford Tough (F-450 only)  
 Trailer tow — 7-/4-pin connector and trailer brake wiring kit (in-cab, no controller)  
 Windshield wipers — Intermittent

\*Always wear your safety belt and always deactivate the passenger airbag when using a rear-facing child-safety seat with Regular Cab and SuperCab models. Always wear your safety belt and always secure children in the rear seat in Crew Cab models. \*\*Under normal driving conditions with routine fluid and filter changes. †Final-stage manufacturer must supply control switches. ††TBC verified to be compatible with electric-actuated drum brakes only.

## MECHANICAL SPECIFICATIONS

### FRONT SUSPENSION

Type	Twin-I-Beam (F-250/F-350 4x2); solid Twin-Coil Monobeam axle (F-250/F-350 4x4, F-450 4x2 and 4x4)
Axle (rating @ ground)	5250 lbs. (F-250/F-350 4x2); 6000 lbs. (F-250/F-350 4x4); 7000 lbs. (F-450)
Springs	Coil
Shock absorbers	1 <sup>3</sup> / <sub>8</sub> " gas type
Stabilizer bar	Standard

### REAR SUSPENSION

Type	Solid axle
Axle (rating @ ground)	6200 lbs. (F-250); 7280 lbs. (F-350 SRW); 9000 lbs. (F-350 DRW); 11,000 lbs. (F-450)
Springs	Leaf
Shock absorbers	1 <sup>3</sup> / <sub>8</sub> " gas type
Stabilizer bar	Standard on DRW pickup; optional in package on SRW pickup

### STEERING

Assist	Power
Overall ratio	20.16:1 (F-250/F-350 4x2); 20.38:1 (F-250/F-350 4x4); 17.8:1 average (F-450)

### BRAKES

Type	4-wheel disc ABS (standard)
Front (rotor diameter)	13.66" (F-250/F-350); 14.53" (F-450)
Rear (rotor diameter)	13.39" (F-250/F-350); 15.35" (F-450)

### WHEELS

Type	Steel (standard); chrome-clad steel or aluminum (optional)
Size	17" (standard); 18" or 20" (optional F-250/F-350 SRW); 19.5" (F-450)
Number of studs	8 (F-250/F-350); 10 (F-450)
Bolt-circle diameter	6.7" (170-mm) SRW; 7.87" (200-mm) F-350 DRW; 8.85" (225-mm) F-450

Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer.

**Conventional Towing Notes:** This information also applies to models with Pickup Box Delete option (66D). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle Safety Compliance Certification Label. For F-250/F-350 SRW models, F-250 trailer weights are shown; F-350 trailer weights are within 200 lbs. Check with your sales consultant.

**5th-Wheel Towing Notes:** This information also applies to models with Pickup Box Delete option (66D). Trailer kingpin weight should be 15-25% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer kingpin weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer kingpin weight, and the weight of passengers and cargo cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle Safety Compliance Certification Label. For F-250/F-350 SRW models, F-250 trailer weights are shown; F-350 trailer weights are within 200 lbs. Check with your sales consultant.

**Conventional and 5th-Wheel Towing Footnotes:** <sup>1</sup>Available with F-350 SRW model only. <sup>2</sup>Available with TowBoss Package only. <sup>3</sup>Available with High-Capacity Trailer Tow Package only.

\*New for 2008. \*\*KING RANCH only.

**New Vehicle Limited Warranty**

We want your Ford Super Duty® ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: There's now a 5-year/60,000-mile powertrain limited warranty that's fully transferable, with no deductible — diesel engine warranty is 5 years/100,000 miles — on select engine components. Plus, Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details, or check us out at [www.fordcredit.com](http://www.fordcredit.com).

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at [www.fordvip.com](http://www.fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (In CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan (ESP)** gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our website at [www.fordaccessoriesstore.com](http://www.fordaccessoriesstore.com)

to use the Accessorizer, and to learn about complete accessory details and purchase instructions.
