THE WORLD OF USFA

U. S. F. A . MFG. CO. * HARTFORD, CT * USA

"Welcome to United States Fire Arms. All of our firearms are handcrafted, historically accurate re-creations that reflect the craftsmanship and quality of the firearms once made under the "Blue Dome."

*Douglas F. Donnelly
President, U.S. Fire Arms Mfg. Co.*

When customers tour the factory they are often struck by the simplicity of our tools. Our workers have some of the finest most complicated machines ever invented and the latest in software to power them. But Today - as it was so long ago - the real ingenuity resides in their skill as craftsmen - with their own two hands. Of course our modern CNC milling and lathe machines are highly useful, but the individual hands that work each part with such care and purpose can never be replaced by the smartest machine.

The ability to create with one's hands is fast becoming a rarity in today's world. Here, as it must have been 100 years ago, we accept some measure of both. As we enter a

new millennium we can look back and see that no matter what industry or how complicated the task, it all begins and ends with skilled hands.

The combination of technology and handcraft is the foundation of USFA's focus of continuous improvement and a World Class experience for those who appreciate quality. We are the only Gun Company in Hartford, USFA products are 100% American Made.

Enjoy your tour of The World of U.S Fire Arms. In these pages you will experience what is possible when you put into action real creativity and a respect for history.

U.S. fire Arms manufacturing facility in Hartford, CT. When touring our new facility, visitors are treated to the melding of the ultra modern aspects of firearms manufacturing, along with old world craftsmanship.

THE PLINKER™ .22 L.R.

U. S. F. A . MFG. CO. * HARTFORD, CT * USA

THE HANDIEST PISTOL ON THE PLANET. . .

... *C*amping, Hunting or Plinking! Full sized Single Action in .22 Rimfire. Originally Colt's made only 107 of these under the Blue Dome. You can own USFA number 108. Enjoy the most popular caliber ever made in The USFA Plinker™ .22 L.R. The .22 rimfire cartridge has had the longest production run of any in history. More styles of ammo: short, long, long rifle, shot shell, and hollowpoints with millions of rounds produced each year. Just right for

that first time at the range, the low felt recoil of the .22 is also inexpensive to shoot. For those looking for a little more zip, The USFA Plinker™ comes standard with an extra cylinder in .22 Winchester Magnum.

The Plinker features a special rimfire frame & hand-cut checkered rimfire hammer. A replaceable full-length cylinder bushing ensures a long service life for your classic single action.

THE PLINKER™ ~ SPECIFICATIONS

CALIBERS: .22 L.R./ .22 WIN MAG
BARREL LENGTHS: 7-1/2"
FRAME STYLE: SPECIAL RIMFIRE FRAME
FINISH: OLD ARMORY BONE CASE™ DOME BLUE™
STOCKS: US HARD RUBBER
SIGHTS: SQUARE NOTCH REAR, SQUARE FRONT BLADE
BORE SIZED TO .221

MSRP
 Bone Case & Dome Blue®
\$975.00
 Nickel
\$1170.00

Hammer design: solid firing pin in hammer- not in frame allows shooter to see cartridge advance into battery.

The Plinker™ comes standard with an extra cylinder in .22 Winchester Magnum. This chambering allows you to experience a long range recreational cartridge with many bullet style options.

SEEING THE "SUNRISE" MEANS A SAFER SHOOTING EXPERIENCE.

A unique feature of this revolver is that it has been built in such a way as to let the shooter have visual access at all times to the cartridge loaded in the cylinder.

See the "Sunrise"

NOTE: The gun has less chance of breaking due to a broken firing pin because the firing pin never touches the cylinder face when in fully down position.

THE SINGLE ACTION REVOLVER

U. S. F. A . MFG. CO. * HARTFORD, CT * USA

THE SINGLE ACTION ~ SPECIFICATIONS
